There is a \$10 locker fee to cover the costs for upkeep and updating lockers for every student. In addition, there is an enrichment fee to help cover any costs for those classes. All other costs will be related to individual needs.

SPANISH FORT MIDDLE SCHOOL POLICIES AND PROCEDURES

◇ PARENT INFORMATION

REGISTRATION

The school is required by law to obtain and file a copy of the following documents for each student (copies can be made in the school office):

1. A certified birth certificate.
2. Current Alabama Immunization Certificate (blue card).
3. A Social Security Card.
4. Two proofs of residency are required, one of which must be a current utility bill. These proofs of residency must be for the legal guardian of the child being registered.

* Special circumstances may necessitate the provision of other documentation: e.g. custody papers, zone variance, etc. The school will keep all official documents of a student on file under the student's legal name.

SCHEDULE CHANGES

Schedule changes are strongly discouraged and can only be made for academic purposes with administrative approval. Please keep in mind that the master schedule can be a very difficult puzzle to piece together. There are many factors that we consider when scheduling students into classes. **If a student wants a schedule change, they must pick up a Change of Schedule Form from either the front office or from a counselor. This form must be filled out, signed by a parent/guardian, and returned to a counselor. There is no guarantee that the request will be honored.** Our goal is for all the students to have a successful school year at SFMS.

ATTENDANCE

Please understand that our top priority is providing a safe environment for our students. Supervision for our students begins at 7:10. Dropping students off prior to this time is strongly discouraged. Students are to be picked up no later than 3:15. The only exception to this rule is for students attending a structured after school activity.

If a student misses more than half of the school day, a full absence will be accumulated. Excessive absences could result in a referral to the Early Warning Truancy Prevention Program.

Please note that students have only 3 days to bring in a written excuse from their parent. Absences will be marked as unexcused until a written excuse from a parent or doctor's office is submitted to child's homeroom teacher or front office.

- **TARDY bell rings at 7:40.**
- **Students arriving after 7:40am must sign in at the tardy table located outside the Media Center.**

SFMS TARDY POLICY

- **5th Unexcused Tardy:**
 - **Student receives a warning and this letter to the parent explaining the consequences for subsequent unexcused tardies.**
 - **Copy of letter is to be signed by parent/guardian and returned the next school day.**
 - **NOTE: There will not be any additional letters required**
- **7th Unexcused Tardy: 1 Day of OCS**
- **9th Unexcused Tardy: 2 Days of OCS**
- **10th Unexcused Tardy: Student can no longer attend any Field Trips, School Dances, Assemblies, etc.**
- **11th Unexcused Tardy: 3 Days of OCS**
- **Any further violation (12 Unexcused Tardies or More) will result in 3 Days of OCS**

NOTE: Excessive OCS days could result in an out-of-school suspension

Check-In

Students who come to school late must check-in through the office (after 7:40am).

- The student will be given an admission slip when he/she checks in.
- The student will not be admitted to class without the admission slip.

Check-Out (Early Dismissal)

Students who leave the school for any reason must checkout through the office. ***NO student is allowed to checkout after 2:30.*** Early checkouts are discouraged. If possible, appointments for students should be scheduled after school hours.

- The student will be called to the office upon arrival of the parent or guardian.
- Students will not be dismissed during PE, BREAK, or LUNCH
- If an appointment time is during any of these three periods for a student, the student should report to the front office in lieu of going to PE, BREAK, or LUNCH
- Parents will not be allowed to go to a child's classroom for any reason without permission from the principal.
- Sick students must go through the school nurse for the checkout to be excused.
- The emergency contact's name must be on file at school. Addition or changes of emergency contact persons must be made in person by the custodial guardian.
- AN ID IS REQUIRED EVERY TIME A STUDENT IS CHECKED OUT

Planned Absences (i.e. Trips, weddings, funerals, etc..)

Parents are discouraged from taking their children on trips during regular school days. The principal has the discretion of excusing up to 3 days per year. Consideration is given based on the student's academic performance and attendance. A written request should be turned into the front office or emailed to the registrar (tfisher@bcbe.org) one week prior to the absence. No assignments will be given to the students ahead of time on a planned absence.

Makeup Work

- Students are responsible for making up their assignments upon their return or before if assignments have been posted online.
- Students will be allowed three (3) school days to make up work. However, additional time may be allowed for extenuating circumstances (per principal and/or teacher approval.)
- For unusual circumstances, additional help from a school counselor may be necessary.
- For makeup tests, a different test covering the same material may be given.
- When a student is absent for an extended period of time (5 days or more), contact the school counselor to make arrangements for collecting and making up assignments. Students and parents can also check the school's website or teacher's google classroom for assignments. Students are encouraged to keep up with assignments as much as possible through teacher web pages.

DROP OFFS

- Occasionally, students forget items needed for school.
- When dropping off forgotten items, the parent/guardian will need to show their ID to be allowed into the building.
- Upon entering the building, there is a table located to the right. All items are placed there with a sticky note with the student's name.
- Students will not be called to the office to get these items. Students need to check the table periodically during transition time to see if their item is there.

WITHDRAWAL PROCEDURES

When parent/legal guardian plans to withdraw a child from school, they should notify the school office as soon as possible. This should be done no later than the day before his/her final day in school. This enables the teacher and registrar to have the report card and transfer information prepared. Students must return all textbooks and technology and have all fees paid before records will be released to the new school.

CAR RIDER AND BUS PROCEDURES

Bus Riders

The school buses of the Baldwin County School System are operated according to the rules and regulations of the Baldwin County Board of Education. No person except regularly enrolled students shall ride a bus without written permission from the superintendent, the supervisor of transportation, and the principal of the school served by the bus. School bus transportation is a privilege that may be withdrawn for inappropriate behavior. A student may only ride the bus to which he/she is assigned. **Students are not allowed to be transported by bus to the high school in order to ride in a car from the high school campus.**

Car Riders

Arrival: Students brought to school by car will load/unload in front of our gym. Parents need to enter D'Olive Road (behind school).

Dismissal: Vehicles need to enter car lines via D'Olive Road (behind school). 6th grade students will be picked up in front of the school. 7th grade students will be picked up in the bus lane after busses exit. 8th grade students and/or multiple grade carpoolers will be picked up in front of the gym. For the safety of all students, no students will be dropped off or picked up from any other locations. Dismissal map is located on school website: www.spanishfortmiddle.com

Please observe our rules with the goal of student safety first and efficient traffic flow second. ALL transportation changes should be by emergency status no later than 2:00pm. Please inform your child before school if they are to be a bus rider or car rider.

EMERGENCY PROCEDURES (FIRE/SEVERE WEATHER/LOCKDOWN)

Fire, severe weather, and lockdown drills are conducted periodically in the school. Students are taught within the first three weeks of school the procedures to follow if the fire bell or warning bell sounds. Safety drills are conducted monthly which include: fire, severe weather and lockdown. Parents are requested NOT to check students out when the school is under emergency weather warning conditions unless instructed to do so. Standard emergency procedures will be followed. Parents should not call the school during emergency situations or inclement weather as the telephone lines must be clear. Information for parents will be communicated via public broadcast systems rapid notifications systems.

HEALTH AND STUDENT WELLNESS

SCHOOL LUNCH PROGRAM

All students, regardless of how they are paying for their meals, will be issued a PIN number to be used in the cafeteria. Parents can deposit money into a student's cafeteria account where students can access it using the provided PIN number. Students cannot use another student's PIN number. Students will be responsible for purchasing all food items obtained in the cafeteria. Please make sure your child has appropriate funds for lunch or snack. Free/reduced lunch applications are available in the front office and must be submitted and approved before students are charged reduced rates. Students may bring their own lunch, if they wish, but **Federal guidelines prohibit carbonated drinks in the cafeteria.**

MEDICAL

Medication at School

Medications given at school require a medication authorization form to be completed by the physician and the parent for prescription medications. Over the counter medications must be signed by the parent **and cleared by the R.N.** All medications must be delivered to the school by a parent/guardian and must be in the original container with clear, current instructions.

School Nurse

The school nurse provides several opportunities throughout the school year to educate, screen and evaluate the students in Baldwin County. These programs include, but are not limited to, control of communicable disease, hand washing, vision, hearings and health and hygiene lessons. The school nurse will also issue a car and/or elevator passes to a student with a doctor's excuse who needs to be dropped off in the handicap lane due to crutches or a wheel chair. The principal must approve all others.

Student Records Available to Parents via the Internet (iNOW Home)

Parents can access valuable information about their child's progress in school using the unique PIN number via the Internet. Information includes report card grades, current class average, detailed assignment-by-assignment records for every class, attendance records, and disciplinary records. If you have any questions regarding iNOW, please contact Mrs. Teri Fisher 625-3271.

REPORT CARDS

Student progress notifications (report cards) are sent out after each nine-week grading period. The cards will be mailed to the home address on the Friday following the last Friday in the nine weeks. Mid-term reports are mailed home each 4-½ weeks for those students with less than a 70 average.

TEXTBOOKS

Most textbooks are available online. State-owned textbooks can be furnished upon written request with administrative approval. **Lost or damaged textbooks must be paid for before a new book can be issued.**

SCHOOL VISITORS

Visitors must obtain permission from the front office to be in the school building or on school grounds. All visitors to our school must report directly to our main office, sign in, and obtain a "Visitor's Sticker". This sticker must be worn at all times while on our campus. Unauthorized persons (including students suspended or expelled) on school property are trespassers and will be subject to legal prosecution.

PARENT/TEACHER CONFERENCES

Sometimes it is necessary for a parent to meet with one of their child's teachers. Also, a teacher may need to meet with a parent. When these meetings are necessary, the parent can email the teacher, call the school and leave a message for the teacher, or contact the appropriate counselor to help coordinate a conference with the teacher. The teacher should contact the parent through email or via telephone as well. An administrator may be requested but is not mandatory for every parent/teacher conference. It is helpful to share any pertinent information prior to the conferences so that both parties will be prepared to find solutions to any issues. Every parent/teacher conference should have a purpose and that purpose should be stated at the beginning of the meeting in order to meet the goal of the meeting which is to find solutions for any problems our students may be experiencing.

ORGANIZING NEW CLUBS OR ORGANIZATIONS

To ensure the success of all our clubs and organizations at SFMS, the following guidelines are suggested for any group of students wishing to organize a new club or organization:

1. All clubs or organizations must have a faculty sponsor.
2. All clubs or organizations are required to submit a document outlining their purpose, rules for membership, funding needed, and an explanation on how that money will be raised.
3. A document (survey, etc.) that shows the new group has a strong student support.
4. Once this information is gathered, it will be submitted to the faculty committee for approval.
5. The deadline for submitting this information is the Tuesday after Labor Day.

SCHOOL DANCES

Spanish Fort Middle School will host two dances during the 2018-19 school year. These dances are for current Spanish Fort Middle School students ONLY. All students attending these dances will be expected to follow all school rules and remain in the designated areas during the dance. Students will be expected to follow all dress code policies outlined by the administration prior to the dance. Questions regarding a student's dress code should be directed to a school administrator.

There will be a traffic pattern that all parents will follow for each dance. Administration will communicate with parents to make them aware of the procedures for drop off and pick up. Parents will drop students off in a certain area and pick up students on time. Students that are repeatedly picked up late may not be allowed to attend the next dance.

***Most students never have any problem if they do what they know is right. A few individuals, however, invariably commit acts that cannot be ignored. It would be impossible to make a list covering all possible acts that interfere with the orderly educational process that is essential to effective learning. The disposition of some incidents not listed, must, therefore, be left to the discretion of school officials. Repeated offenses may result in additional corrective actions. Remember our goal is for the student to have the machine to use for educational purposes.

HALL PASSES

Students must always have a hall pass given by the teacher. Students who need to visit the office during class must first go to class to get his/her teacher's permission and a hall pass. Students must sign out on the teacher's sign out sheet located in his/her classroom before exiting. Students must not be excused to visit another teacher's classroom or to use the phone to call their parents to check out.

Every student shall be protector and caretaker of school board property. Students who injure, deface or destroy any property belonging to the school system shall be required to pay for the damages. Students are responsible for safekeeping of valuables and should not leave books, computers, clothing, wallets, purses, or other valuables unattended.

SEARCH OF STUDENT PROPERTY

Desks, lockers, autos, and other items at any school, although assigned to particular students, may be entered and searched by school officials whenever said officials have reasonable cause to do so. On any school campus, reasonable cause exists whenever illegal items that could be harmful to the students, detrimental to the welfare of the student body, or significantly disruptive to the overall operation of the school program, may be present. A search of the person shall be with the student's consent, except under emergency conditions when the safety and welfare of others is involved. When consent is not granted, the assistance of the parent and/or law enforcement officials shall be secured. The principal may take appropriate disciplinary action against the student who fails to cooperate with school officials in their investigation of school conduct code violations.

Legal reference: Laws of Alabama Relating to Education, Title 1 13.

INSPECTION OF SCHOOL PROPERTY

School officials reserve the right to inspect school property, including lockers, to ensure the safety and security of the premises and students. Lockers remain the property of the school. Although a student may exercise exclusive control of his/her locker as opposed to access by fellow students, the control is not exclusive against school safety and student's welfare.

ON-CAMPUS SUSPENSION

The policy of the Baldwin County Board of Education is to establish an On-Campus Suspension Program designed to provide a structured disciplinary atmosphere in which a student is isolated or removed from regular classroom activities, but is not dismissed or removed from the school setting. The basic philosophy of the OCS is to provide an alternative to off campus suspension and to attempt to modify disruptive behavior by isolating the disruptive student from his classmates. Students will be assigned work by regular classroom teachers and will be expected to complete these assignments. (Assignments made by the teachers should relate to the work that is being covered in the classroom.) Students will be assigned to the center for a certain period of days. These days will not be counted as absences from class. Students will be able to make up any work missed in his/her regular classes. On-Campus Suspension can be extended if work assignments are not completed. The student will not be allowed to make up work missed during the extension of OCS. Students in the center will have lunch at a time when they will be unable to associate with other students. While in OCS, students are not allowed to participate in any extracurricular activities. The teacher is asked to make assignments extensive so that the student's time will be occupied with class work. Teachers may send tests for students to take during their time in OCS or allow students to make up tests at the end of OCS. OCS will be enforced only on the campus at which the offense took place. Parents of students assigned to OCS will be notified.

OFF-CAMPUS SUSPENSION

Off-campus suspensions will be limited to nine days per year. After the student reaches this limit, they may be expelled and can apply to the Alternative School.

EXPULSION

Refer to Baldwin County Public Schools: Pupil Responsibilities and Conduct Standards AND School Conduct Intervention Program.
