DIRECT SERVICES

MISSION & VISION

Mission: To foster a nurturing and safe learning environment that empowers every student to become well-rounded and upstanding successful citizens. Through the leadership of the school counselors and collaboration with all stakeholders, all students will have equitable access to college/career opportunities and achieve academic and social/emotional success with resilience, empathy, respect, and integrity.

Vision: All students are well-rounded and upstanding successful citizens who continue to have a passion for learning and life. As adults they meet the challenges of a global workforce and their lives with resilience, empathy, respect, and integrity.
