

# A Note From The Counselor:

## Dear Parents or Guardians

I am excited to introduce myself as your child's school counselor! This is my first year at Pine Grove and I am thrilled to be a part of this wonderful school and community.

I hope to build meaningful relationships with each student and to collaborate with the parents and teachers to ensure the success of all students.

Please do not hesitate to contact me should you have any questions or concerns regarding your child's academic, personal/social, and career development.

In Service,

*Katlyn George*

## MISSION STATEMENT

"The mission of the Baldwin County School Counseling and Guidance program is to maximize the potential of every student by promoting and enhancing the learning process through the integration of academic, career, and personal/social development.

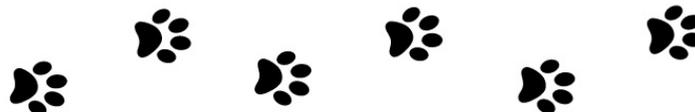

I will strive to accomplish this mission by providing a variety of planned, purposeful, and sequential counseling activities that empower students to become life-long learners equipped to successfully enter society as productive citizens.
