- (2) Notwithstanding subdivision (1), the age at which a student may apply for a license or permit shall not be

extended by Act 2009-713 beyond one year from the date the student initially applies for a learner's permit, motor driven cycle operator's license, driver's license, or any license required by the State of Alabama for the operation of a motor vehicle or vessel.

- (c) The following subdivisions are contingent upon the technical capability of the student data management system to track, manage, and coordinate the data:
- (1) Points shall be accrued on a school-year basis.
 - (2) Points may not accrue for the first three days of in-school suspension in any school year; however, beginning with the fourth day of suspension in any school year, all days, including the first three, of in-school suspension shall be counted in determining the points.
 - (3) Points may not accrue for an initial out-of-school suspension of two days or less in any school year; however, the days of the initial suspension shall be used to determine the points after a second out-of-school suspension in any school year or all days will be used to determine points if the initial suspension exceeds two days.
 - (4) Accumulated points shall be reduced by one-half if the student has not received additional accumulated points for one school year. If no additional points are received for two years, all records of the accumulated points shall be removed from the student's records at the school. **(Act 2009-713, p. 2095, §1.)**

For students seventeen (17) years of age or older who withdraw from school, the Supervisor of Attendance notifies the Department of Public Safety of the withdrawal. Withdrawal is defined by the Code of Alabama as more than ten (10) consecutive or (15) days total unexcused absences during a single semester. The Department of Public Safety shall deny or revoke a driver's license or learner's permit for the operation of a motor vehicle to any person under the age of (19) who has obtained the withdrawn status.

ENROLLMENT EXPECTATIONS

It is the expectation of Baldwin County Public Schools that all students complete an academic year or at a minimum complete the remainder of the current academic year at each age appropriate grade (K-12). Due to varied academic calendars, a student may complete more than an academic year but no less.

It is the expectation that all students enrolled in Grades K-6 are appropriately progressing and pursuing academic achievement for grade promotion. Students enrolled in Grades 7th – 12th must be pursuing the achievement of their exclusive high school diploma.

VISAS AND PUBLIC SCHOOL ENROLLMENT

It is the intent of Baldwin County Public Schools to welcome all students for enrollment as dictated by the laws and regulations established by the appropriate laws for immigrant and non-immigrant students assigned Visas attending public schools. The *United States Code Section 625* outlines visa status requirements and references specific sources as related to procedural practice.

Any question of enrollment in Baldwin County Public Schools by a student holding a particular VISA should be addressed prior to the student/parent or guardian's request to begin the registration/ enrollment process. All inquiries should be addressed to the BCPSS Student Services Department.

STUDENT EXCHANGE VISA PROGRAM, (SEVP)

F-1, J-1 AND M-1 Visa

Baldwin County Public Schools has chosen not to secure certification from Immigration Services or to be affiliates of the Student Exchange Visa Program, (SEVP). BCPSS does not accept tuition payments, waive per

capita student costs, issue Form I-20s or Form DS-2019s. BCPSS will not accept or complete requests to substitute said forms to prove and/or accept responsibility of sponsorship under the aforementioned guidelines.

CUSTODY AND GUARDIANSHIP

To enroll a child in BCPSS the Enrolling Adult must be the custodial parent, the parent/person who is the adjudicated/court ordered sole legal and physical custodian, the adjudicated/court ordered joint legal and physical custodian or the adjudicated/court ordered legal guardian of child as established by Alabama statute, case law or a judge's Order. All custodial relationships must be adjudicated/court ordered by a judge's order and those documents must be provided each year to be placed in the student's file. It is the responsibility of the enrolling adult to ensure that a current custodial document is on file in the student's school office.

A parent who was not granted physical custodial rights to their child at birth by Alabama statute or by case law must be adjudicated/court ordered as a custodial parent by a judge's Order in order to serve as the enrolling parent. The enrolling parent of any child whose custodial relationship has been adjudicated/court ordered by a judge's Order must provide custodial documents, which meet BCPSS custody requirements outlined in the *Custody and Guardianship* section of this handbook. **The adjudicated/court ordered documents are to be submitted during the process of online registration, to each school office prior to the first day of attendance or as requested by the school.**

As a matter of protocol, parents who live in separate residences may be asked to provide custodial documentation for the enrolling parent. A child's enrollment, when enrolled under false custodial circumstances, will be subject to review and possible withdrawal from BCPSS.

The mere filing of a Dependent Complaint, or Custody Affidavit Petition with a court of proper jurisdiction, or any other document seeking custody or guardianship, does not create the necessary custodial relationship required by BCPSS to establish residence for the purpose of school enrollment.

ENROLLMENT RESIDENCY REQUIREMENTS

CRITERIA FOR ESTABLISHING RESIDENCY

Regardless of the Instructional Plan chosen, it is the expectation of BCPSS that our students reside full time in Baldwin County with the enrolling adult. Additional enrollment requirements have been developed to facilitate custodial and visitation exchange designations.

The residence for purposes of enrollment in BCPSS is the primary domicile of the parent, the parent with sole legal physical custody, the joint legal and physical custodian or the court appointed legal guardian. The residence, as used herein, shall mean the true, fixed, and permanent home and principal establishment to which whenever absent, the parent, parent with sole legal physical custody, the joint legal and physical custodian or the court appointed legal guardian of the student intends to return to each evening. The residence, as used herein, is distinguished from a temporary or secondary place of residence established for some specific purpose but is not the fixed permanent residence of the parent, parent with sole legal physical custody, the joint legal and physical custodian or the court appointed legal guardian.

Biological or Designated custodial parents who live in separate residences will be asked to provide custodial documentation for the enrolling parent.

These adjudicated/court ordered documents are to be submitted at the time of the on-line registration and will be held in the student's file.

PROOF OF RESIDENCY (POR)

By requirement of Baldwin County Public Schools, it is the responsibility of the Enrolling Adult (parent/legal custodian or guardian) to provide current proofs of residency for their student(s) annually. **In other words, the burden of proof in providing current residency documentation is the responsibility of the parent/legal custodian or guardian.** Failure to provide the required proofs may prohibit the returning or new student from being enrolled for the requested school term/year.

The residency documentation may be uploaded by the enrolling adult at the time of the student's on-line registration or by providing a physical copy of the residency documentation to the student's school. All uploads must be clear and concise. Submitted documents must be in the name of the Enrolling Adult with the primary residence listed for the address. The proofs (originals and uploaded forms) must be clear, legible, signed if applicable, not altered, dated, show residence address and parent/legal guardian's name. Additional documentation may be required at any time that residency or the residency documentation provided is thought to be in question or not adequate.

All Proof of Residency (POR) documents are subject to review and approval/verification by the school administration and may not be forwarded to the child's enrollment file until that approval is given. Fall enrollment verification is completed over the course of the summer and may not be complete until the new school year begins. Room assignments or schedules may not be assigned until POR documents have been approved. The Enrolling Adult (parent/legal custodian and guardian) must provide for each student at each school one (1) of the following combinations of residency proofs all in the enrolling adult's name:

RESIDENCY AFFIDAVIT

If the Enrolling Adult (parent/legal custodian or guardian) lives in Baldwin County and is **unable to provide** for a valid reason **the required proofs of residency listed above**, and they wish to register a new student(s) or to continue the enrollment of a current BCPSS student(s), they may complete and submit a Shared *Residency Affidavit* for approval with the campus Administration, Registrar and/or the Baldwin County Attendance Supervisor **PRIOR** to registration/enrollment or continued attendance. Residency Affidavits and approval and verification by the campus Administration, Baldwin County Attendance officer, and/or Supervisor are required each school year. Administrators are allowed to develop reasonable procedures, such as requiring an in-person appointment, as part of the residency affidavit approval process. You may obtain additional information and a Shared Residence Affidavit Form from the Prevention and Support Services website, located at <https://www.bcbe.org/Page/509>.

Some situations that automatically require a Residency Affidavit: lease is expired and/or renting is on a month-to-month basis:

- currently living, whether temporarily or permanently, in another person's residence
- current living arrangement does not allow for the submission of the required proofs

Contact your campus Registrar's Office for the *Residency Affidavit* form or with questions regarding this procedure. The *Residency Affidavit* is **not** provided online.

Proof for Residency Affidavit

The enrolling parent/legal custodian or guardian must provide the following Proof of Residency for the residency affidavit:

1. Primary Documentation: The homeowner's current document proofs held in **their** name as outlined

above for proof of residency. The homeowner will be asked to sign the affidavit confirming the submitted proofs if the homeowner lives in the residence presented and/or if the proofs are not adequate as presented. *Residency Affidavit* signatures must be notarized. The homeowner may be asked to be present at an in-person meeting with the administration as part of the residency affidavit process.

2. Secondary Documentation: The Enrolling parent/legal custodian or guardian must submit an additional two (2) current proofs of residency which establishes a commercial connection between their name and current address, this may include commercial mailings, electronic account printed statements, bills, driver's license, car tag receipt, or other approved documents as determined by student services. A waiver of four (4) weeks may be given to new residents for the secondary proofs to be submitted. However, the child's enrollment status will not be considered final until the secondary proofs are received and approved by the Residency Office. Failure to provide both secondary proofs could subject the child's pending affidavit to be voided and the child's enrollment to be rescinded.

CHANGE OF ADDRESS OR CONTACT INFORMATION

It is the responsibility of the parent/legal custodian or guardian to notify each respective school in which their child attends when there is a change in address of the child, a change in residency status, a change of contact phone numbers and or e-mail addresses previously provided as their child's contact information. This information is to be presented to the school(s) no more than five school days after taking occupancy at the new address or the date of this information change. In order to verify enrollment and attendance in the proper attendance zone and/or feeder pattern, parents who have changes to residency addresses during the school year may be asked to supply proof of new residency in accordance with the previously identified residency verification documentation.

HOME VISIT RESIDENCY CHECK

If an employee of the Baldwin County Public Schools receives one (1) of the following notifications listed below, an unannounced home visit to verify residency may be conducted by the BCPSS Attendance Department and/or a uniformed police officer as part of the residency confirming process:

- Students entering or continuing their enrollment to Baldwin County Public Schools on a Residency Affidavit;
- Student does not reside with the parent/legal guardian and/or at the given enrollment address;
- Custodial/Guardianship documents have not been properly executed;
- Parent, custodial adult, or legal guardian does not reside every day within the Baldwin County Public Schools' limits;

If the custodial parent/legal guardian of an enrolled student has been found to live outside of the county limits, but has recently established residence within the county limits, the following criteria must be met prior to the approval for students to remain enrolled with Baldwin County Public Schools:

- Complete documentation of residence.
- A home visit to the residence by the Attendance Officer

If the parent/legal custodian or guardian fails to cooperate with the campus administration, attendance officers and/or attendance supervisors, the school principal will be informed that confirmation was not possible and termination of enrollment from the school system may be required.

Parents are responsible for providing accurate and up-to-date information including, but not limited to, their residential address (temporary or permanent) to school officials. ***To report residential school enrollment fraud contact Ms. Denita Hill, Prevention and Support Supervisor, at 251-580- 1661. All reports will be***

kept confidential. Giving false information to a public official in the performance of his/her duty is a violation of the Code of Alabama § 13A-10-109 (a) and is punishable by a fine of \$500.00 and up to (90) days in jail.

ATTENDANCE ZONES

Students will be assigned to the school serving the attendance zone in which their Enrolling Adult (parent/legal custodian/ guardian) is domiciled. A student whose Enrolling Adult (parent/legal custodian or guardian) moves from one BCPSS attendance zone to another BCPSS attendance zone during the school year will be transferred to the school attendance zone in which the new residence is located.

ATTENDANCE ZONE VARIANCES (BOARD POLICY 6.2.2)

The Baldwin County Board of Education affirms those present school attendance zones outlined by most recent Board action. The Board, however, gives the Superintendent discretionary authority to grant variances to pupils who present evidence of **extreme hardship** and/or students of employees that work for the Baldwin County Public Schools. **Extreme hardship may not be construed to include dissatisfaction with personnel in the school in the zone in which the pupil resides, dissatisfaction with curriculum offerings and/or dissatisfaction with curriculum offerings which are non-academic and/or extracurricular activity and athletic offerings in the school zone in which the pupil resides.** To request a Zone Variance, you may complete the online form located at <https://www.bcbe.org/Domain/5007>.

ATTENDANCE

Code of Alabama (1975) §16-28-3 requires all children between the age of six (6) and seventeen (17) years of age to attend school for the minimum number of scholastic days prescribed by the Alabama State Board of Education. All laws regarding school attendance shall be strictly enforced by the Baldwin County Public Schools.

ARRIVALS / DISMISSALS

Students are to arrive on time for the beginning of the school day and leave the school campus immediately upon dismissal for the day and/or from other school related activities. Parents/guardians should refer to each school's handbook for the designated time and protocol for each school.

TARDINESS

Tardies are considered excused for the same reason(s) as excused student absences. Refer to each school's handbook for tardy information. The principal or his/her designee may impose disciplinary measures for excessive tardies. Communication will be made to parents/guardians by the school or the Attendance Officer if the number of tardies becomes excessive. Excessive tardies may result in a home visit by the BCPSS Attendance Department.

CHECK-INS / CHECK-OUTS

Necessary check-ins or checkouts must be processed by the parent through the school's office by procedures outlined in each school's handbook. The Board encourages that appointments not of a critical nature be scheduled for times and days when school is not in session. Check-ins/outs are considered excused for the same reasons as excused absences. An unexcused check-in/out will be considered a tardy. Excessive check-ins and /or checkouts may result in a home visit by the BCPSS Attendance Department.

POSITIVE REINFORCEMENT FOR ATTENDANCE AT SCHOOL

Principals are given discretion to create rewards and/or positive motivators in order to *increase* student attendance, such as final exam opt-outs or off-campus lunch privileges. Any discipline or consequences regarding attendance should be limited to those as provided in Board Policy and this Handbook. Students should not be denied participation in any school activity or event if the student has a valid excused absence in

accordance with Board policies and procedures. In other words, if a student is allowed nine excused absences under Board policies and procedures, principals do not have the discretion to require a lower number of excused absences in order for a student to be eligible to participate in a school activity or event. Under no circumstances should a student with a valid physician's excuse absence be denied participation in a school activity or event because of an absence from school because of said physician visit.

ABSENCES

Parents of students in grades k-12 can routinely monitor absences by accessing their student's information on the Parent Portal on the BCPSS web site. If a parent has a question or concern about an absence, the parent should contact the school as soon as possible.

EXCUSED ABSENCES

State law allows for absences to be excused for the following reasons:

- Illness of the student
- Death in the immediate family
- Inclement weather which would be dangerous to the life and health of the student as determined by the principal
- Legal quarantine
- Emergency conditions or extenuating circumstances as determined by the principal
- Religious holidays, upon receiving prior approval from the student's principal (the Superintendent's designee)

WRITTEN EXCUSE

The parent/legal custodian or guardian must provide a written explanation (excuse) to the school homeroom teacher for each student's absence within three (3) days of the student's return to school.

For a student's consecutive days of absence, a parent/legal custodian or guardian may submit one written excuse. The number of days absent covered in that written excuse will be counted as individual written excuses toward the allowed maximum nine (9) parent written excuses per calendar year.

The written excuse must include the following:

1. Written statement from the parent stating the reason for the absence
2. The date of absence(s)
3. The parent's signature

Parents of students in grades K-12 may submit up to nine (9) parent written excuses per calendar year and may be required to submit an excuse for late check-ins and early checkouts. After nine (9) absences have accrued in a year, a doctor's or legal excuse may be required for additional absences to be excused. (Please note that a doctor's excuse should reflect that a student actually visited or was seen by an actual physician, physician's assistant, or nurse practitioner that is not also the parent of the child).

Parents are encouraged to provide medical documentation to the school nurse at the beginning of the school year if their child has been diagnosed by a physician with a chronic medical condition that impedes regular school attendance.

Refer to your student's school's handbook for additional guidelines for submitting excuses. If a student fails to attend school without submitting a timely parent, medical or legal excuse, the student and parents/guardians are subject to court intervention.

UNEXCUSED ABSENCES

Any absence that does not fall under the category of excused absence is recorded as an unexcused absence. Any student with five (5) unexcused absences during the school year may be referred to Early Warning Intervention with the Attendance Supervisor.

In addition, absences may be unexcused if the student and parent fail to provide the excused absence written statement with required information to the school officials within three (3) days (including the return date) of the student's return to school.

STUDENT WITHDRAWAL DUE TO ABSENCES

The Code of Alabama § 16-28-40 defines withdrawals as "more than ten (10) consecutive days or fifteen (15) days of total unexcused absences during a single semester." A student meeting these criteria (without acceptable parent, doctor, or legal excuses) is subject to withdrawal from school.

For students seventeen (17) years of age or older who are withdrawn from school due to attendance issues, the Attendance Supervisor notifies the Department of Public Safety of the withdrawal. The Department of Public Safety shall deny or revoke a driver's license or learner's permit for the operation of a motor vehicle to any person under the age of nineteen (19) who has obtained the withdrawn status.

EARLY WARNING TRUANCY NOTICE

Daily attendance is vitally important to the acquisition of knowledge. Students gain considerably as the result of being in class each day. It is the purpose of this program to do everything possible to encourage good attendance by involving as many supportive groups as necessary and by developing a uniform method of addressing this important issue.

Students deserve every opportunity for academic success and prompt, regular, daily attendance not only teaches life supporting skills but, also, increases the likelihood of school being a positive experience. A uniform attendance emphasis must then define the responsibilities of the groups of people directly related to the program. These groups will be: students, parents, teachers, administrators, and courts.

Responsibilities of the Student

- A. Arriving at school prior to the opening time.
- B. Being seated and ready for instruction in each class before the tardy bell rings.
- C. Bringing to each class those books and materials necessary to make attendance meaningful.
- D. Remaining in class for the entire class period.

Responsibilities of the Parents

- A. Encouraging their child to be present daily and on time.
- B. Discouraging their child from absences related to family trips and/or vacations during the school year, and appointments that could be better scheduled so as to not interfere with the school day.
- C. Refraining from asking the school to violate the checkout procedure approved by the Baldwin County Board of Education.
- D. Scheduling necessary appointments for their child outside the school day when possible.
- E. Cooperating with the school in providing valid excuses for their child's absence.
- F. Attending conferences arranged by the principal.

Responsibilities of the Teacher

- A. Developing class incentives related to improved attendance.
- B. Establishing contact with parents concerning their child's attendance patterns.

- C. Working with the guidance counselor in scheduling students in programs that meet their individual needs.
- D. Recognizing the importance of each class period and scheduling teacher request for students accordingly.
- E. Demonstrating to the student that planned learning experiences will take place each day.

Responsibilities of the Administration

- A. Designing local school plans for improving attendance.
- B. Enforcing a checkout system consistent with administrative policy.
- C. Considering many alternatives in an effort to reduce the number of suspensions and, thereby, absent days.
- D. Attempting to keep parents aware of each absence daily.

PARENTAL NOTIFICATION EARLY WARNING TRUANCY PREVENTION PROGRAM

The Alabama Compulsory School Attendance Law (Sec. 16-28-3) requires children between the ages of six (6) and seventeen (17) to enroll and attend school. Additionally, Section 16-28-12 of the Code of Alabama, as amended May 17, 1993, requires that any parent/guardian who enrolls a student in school will be responsible for the child's regular attendance and proper conduct. Parents and/or guardians must provide to the child's teacher an explanation of each absence within three days after the child returns to school. If the parent or guardian fails to provide this information to the teacher, each child's absence will be recorded as unexcused or truant. Except in emergency situations, out of town trips must have the principal's approval prior to taking the trip, if the absence is to be coded excused.

Please be advised of the attendance requirements as set forth in the Early Warning Truancy Prevention Program, which has been implemented in Baldwin County schools since the 1989-90 school year. The program was recommended by the State Department of Education and the Administrative Office of the Courts and has been approved by the Baldwin County Board of Education and the Juvenile Court. Pursuant to Section 16-28-12 of the Code of Alabama, all students - grades Pre-K--12 are subject to the provisions of this program.

Schools shall follow the following protocol when absences occur:

1. First Truancy/unexcused absence (warning)

Parent/guardian shall be notified by the school principal or designee that the student was truant and the date of the truancy.

2. Second Truancy/unexcused absence (written notification)

Parents will be sent a letter from the school notifying them of next steps should truancies continue.

3. Third Truancy/unexcused absence (school conference)

Parents will participate in a truancy intervention conference at the school, via teleconference, and/or via telephone with the school principal and/or designee (assistant principal, counselor, social worker, lead teacher, etc..) to discuss next steps if truancies continue.

4. Fifth Truancy/unexcused absence – (referral to Early Warning Truancy Prevention Program)

- (i) The parent, guardian, or person having control of the child shall attend the Early Warning Program provided by the district level attendance office in conjunction with partnering agencies.
- (ii) Attendance shall be mandatory except where prior arrangements have been made or an emergency exists.
- (iii) Failure to appear at the Early Warning Program may result in the filing of a complaint/petition against the parent under Code of Ala. 1975, §16-28-12(c) (failure to cooperate), or a truancy against the child, whichever is appropriate.

5. Additional Truancy/unexcused absence (district level intervention)

The District Attendance Office will notify parents or legal guardians of imminent legal actions related to truancy.

6. No earlier than seventh unexcused absence. (Juvenile Court Intervention)

The District will take steps to file a complaint/petition against the child and/or parent/guardian, if appropriate.

Early Warning Program

- 1. Purpose:** The Early Warning Program is a school /community-based program to assist public school personnel, parents, and law enforcement personnel in providing for early intervention for children and youth who are truant or in danger of becoming truant. A child is truant if no explanation is provided for absences or the child is absent for reasons other than those recognized as excusable.
- 2. Description:** The Early Warning Program is a cooperative effort involving the Baldwin County Board of Education; Juvenile Court Services; and Community Agencies.
- 3. Procedure:** Parents will be notified in writing of the date they are scheduled to attend the Early Warning Program. Per State Department guidelines, participation in the Early Warning Program is required.
- 4. Truancies after Referral to Early Warning:** Non-attendance of the Early Warning Program and/or subsequent truancies may result in a truancy petition (against student) or a contributing to truancy petition (against parent/guardian) to be filed with the Baldwin County Juvenile Court.

- (2) *LONG-TERM ALTERNATIVE SCHOOL PLACEMENT.* The placement of a student in alternative school for more than 15 school days, per incident, for disciplinary purposes.

- (5) *SHORT-TERM SUSPENSION-* the exclusion of a student from his or her regular school environment for less than 10 school days, per incident, for disciplinary purposes.

Short Term Suspensions

i. Overview

In order to maintain order, minimize the risk of potential personal injury, property damage or disruption, or to permit an orderly investigation and evaluation of a suspected violation of school or school system rules, standards, or policies, principals may temporarily suspend a student pending a conference with the parent or guardian of the student and a final disciplinary decision. Students may be suspended from school for offenses serious enough to warrant such action as provided in the Student Code of Conduct or the following outlined violations. At a minimum, the following circumstances represent when and how a student may be suspended. The Superintendent is further authorized to develop and outline any additional procedures regarding suspensions in the Student Code of Conduct.

ii. Intent

It is the policy of the Baldwin County Board of Education that a student may be suspended from school under the following circumstances:

- 1. after committing Class I offense as identified further below;
- 2. after committing a Class II offense as identified below; and
- 3. after committing any serious offense or exhibiting any serious misconduct

All suspensions should be for a specified number of days not to exceed 9 school days. Any deviation of said pattern shall require authorization from the Superintendent or his or her designee.

iii. Procedures for Suspensions- Due Process

In the event that a student's misbehavior is, in the opinion of the principal, severe enough to warrant a short-term suspension, the procedures shall be as follows:

- a. the student shall be informed orally or in writing, by the principal or by his or her designee, of the charges against him or her. In the event the student denies the charges, the student will be provided an opportunity to present his or her side of the story. Under all circumstances, a student will be provided an opportunity to state matters and mitigation of the charges.
- b. if in the opinion of the principal or his or her designee, the student committed the offense in question, the student shall be suspended from school the principal should immediately notify the student's parent or legal guardian of the action taken, the reason or bases for the action, and what further action will be taken, if any.

When a student is suspended, the student is denied any admission to any other school in the system until the student clears his or her record with the school originating this suspension even though the student might have moved into a new attendance zone. Suspension of students with disabilities will be subject to applicable limitations and requirements imposed by the IDEA, Section 504, and any applicable implementing regulations thereunder.

Long-term Alternative School Placement, Long-term suspensions, and/or Expulsions from the Regular School Environment

i. Overview

Students may be removed from the regular school environment for offenses serious enough to warrant such action as provided in the Student Code of Conduct and/or State law. At a minimum, the above and the following circumstances represent when and how a student may be removed from the regular school environment. The Superintendent is further authorized to develop and outline any additional procedures regarding removal and readmission/reentry following a long-term alternative school placement, long-term suspension, and/or expulsion. The Superintendent will consider and come to a decision on all recommendations for student removal from the regular school environment as further set forth in this document and as dictated by the Code of Alabama.

In addition, students who are recommended for removal from the regular school environment may be suspended until such time as the Superintendent and/or the Expulsion Review Committee meets to consider the recommendation for removal from the regular school environment. In general, parents will be given reasonable notice of the proposed action, the reasons therefore, and an opportunity to be heard by the Expulsion Review Committee regarding the removal. The Superintendent will notify the student and/or the student's parent or guardian, in writing, of any action taken by him or her. The term of a removal from the regular school environment may extend to the maximum permitted by law.

The Board and the Superintendent may impose such reasonable limitations on the student's right to re-enroll in the school system following expiration of the removal from the regular school environment as may be permitted by law. A student who withdraws from school prior to the Superintendent's consideration of a proposed removal may not re-enroll in the school system until the Expulsion Review Committee holds a hearing or other appropriate proceedings regarding the recommended removal. Removal of students with disabilities from the regular school environment will be subject to applicable limitations and requirements imposed by the Individuals with Disabilities Education Act ("IDEA"), Section 504 and their implementing regulations.

Note: Students who are removed from the regular school environment via placement in a long term alternative school setting, a long term suspension and/or who are expelled from the Baldwin County Public Schools are not allowed to attend any school functions nor be on any of the Baldwin County Public Schools campuses for the duration of the removal from the regular school environment. Any violation of this guideline could result in a report to law enforcement authorities and/or arrest.

ii. *Intent*

It is the policy of the Baldwin County Board of Education that a student may be removed from the regular school environment and placed in a long-term alternative school setting, a long term suspension of more than ten (10) school days but less than ninety (90) school days, or an expulsion of more than ninety (90) school days but less than one-hundred eighty (180) school days, under the following circumstances:

1. after committing Class II offense as identified further below;
2. after committing a Class III offense is identified below; and/or
3. after committing any serious offense or exhibiting any serious misconduct.

iii. *Specific Procedures for Removal from the Regular School Environment, i.e. long term placement in an alternative school setting for more than 15 school days, long term suspension (more than 10 school days and less than 90 school days) and expulsion (more than 90 school days but less than 180 school days)– Due Process*

In the event that a student's misbehavior, is in the opinion of the principal, severe enough to warrant removal from the regular school environment either via a long-term alternative school placement of more than 15 school days, a long term suspension (more than 10 school days but less than 90 school days) or an expulsion (more than 90 school days and less than 180 school days), the procedure should be as follows, subject to any subsequent changes to State law or rules or requirements provided by the Alabama State Department of Education:

- a. Initial Notice and Opportunity to be Heard. The student should be clearly informed by the principal, or by his or her designee, of the offense with which the student is being charged. The student will be given an adequate opportunity to state his or her position regarding the alleged offense and provide any matters in mitigation. The principal, or his or her designee, *may* consider all of the following factors before recommending or initiating a removal from the regular school environment: (1) the age of the student; (2) the disciplinary history of the student; (3) the seriousness of the offense or behavior; and (4) whether a lesser intervention would appropriately address the behavior of the student. This initial notice and opportunity to be heard usually happens at the initial office referral on the same day that any initial discipline is investigated and/or imposed.
- b. Immediate Suspensions- In the event that the principal determines that the student poses an immediate threat to persons or property, or threatens immediately to disrupt the educational process, the student may be suspended immediately for a period of no more than 10 days. In such cases when a student is suspended immediately- with no initial meeting with the principal or his or her designee- notice of the misconduct with which the student is charged should be given as soon as practical, either in person, by phone, by email, or by US Mail to the parent or guardian based on the contact information

listed in the District's student recordkeeping system, no later than two (2) school days following the immediate suspension. Under such circumstances, when immediate suspension has occurred with no time for an initial meeting, the principal or his or her designee should schedule a time, as soon as practical and not later than three (3) school days after the immediate suspension, to provide the student and his or her parent or guardian an adequate opportunity to state the student's position regarding the alleged offense and provide any matters in mitigation. A student and his or her parent or guardian may waive the student's right to this initial meeting if a parent or guardian or the student interferes with a principal's ability to schedule a time for the initial meeting.

- c. **Removal Recommendation.** Following the initial notice and opportunity to be heard and no later than five (5) school days after the immediate suspension, if any, if, in the judgment of the principal, or his or her designee, the student committed the offense or offenses in question, the Principal will provide notice to the parent or guardian and student of the principal's decision regarding removal from the regular school setting. The notice will state that the student shall be suspended from school, pending a final opportunity for a hearing and determination by the Expulsion Review Committee as to whether the principal's proposed removal from the regular school environment is warranted. If the principal determines that based on the totality of the circumstances that a removal from the regular school environment is warranted, the principal should provide the parent or guardian with written notice of the removal recommendation. The written notice should be delivered to the parent or guardian personally or by mail sent to the mailing address on file with the District's student information recordkeeping system. The written notice should contain the following:

- A description that based on the principal's recommendation of removal, the student is afforded an opportunity for a disciplinary hearing before the Expulsion Review Committee to determine whether the alleged violation has occurred;
- A short and plain statement detailing the alleged conduct, the provision of the code of student conduct or state law allegedly violated, and the recommended discipline;
- A statement outlining the rights of the student at the hearing, including that (a) the student shall have the right to be represented by legal counsel or another advocate of the student's choice at the student's expense, (b) to ask questions of the principal and any witnesses, excluding any individuals under the age of 14, in attendance at the request of the principal, and (c) to present witnesses during the appeal hearing.
- A statement that if the parent or guardian desires to have a disciplinary hearing, the parent or guardian should deliver in writing by email a request for a hearing to the Assistant Superintendent, Mr. Marty McRae, at mmcrae@bcbe.org, or any designated Assistant Superintendent, with copy to Ms. April Salter at asalter@bcbe.org and the student's principal.
- A statement if the student, parent, or guardian and legal counsel or advocate of the student desires to review any applicable audio or video recording of the incident and, consistent with federal and state student record laws and

regulations (e.g. redaction of any personally identifying information of a student witness), any records, documents, or other information that may be presented as evidence at the hearing, including written statements made by witnesses related to the alleged incident leading to the removal from the regular school environment they should **submit such request in writing within the request for a hearing** so that arrangements can be made for the student, parent, or guardian and legal counsel or advocate to view any of the above, if available, at least 5 days before the proposed disciplinary hearing.

- A statement that if the parent fails to respond to the notice by requesting a hearing as set forth above, that the hearing may be deemed waived indicating the parent or guardian's assent to the alleged violation or violations and to the recommended discipline.
- A statement that upon the expiration of ten (10) school days, if a hearing is not requested by the parent or guardian, the principal's recommendation regarding removal shall become final.
- The principal may also provide the parent or guardian with an optional waiver of the disciplinary hearing indicating the parent or guardian's assent to the alleged violation or violations and to the recommended discipline. If parent or guardian completes the waiver, the principal's recommendation regarding removal shall become final upon the principal's receipt of the signed waiver form.

- d. Expulsion Review Committee. Following an alleged violation of the code of conduct or an alleged violation of state law that results in a recommendation from the principal for either a long-term alternative school placement, long term suspension, or expulsion of a student, the Board hereby designates that a student and his or her parent or guardian shall be afforded the right to a disciplinary hearing before the Superintendent's selected Expulsion Review Committee (ERC).

The Expulsion Review Committee (ERC), appointed by the Superintendent, should be composed of a minimum of three (3) persons (examples: Central Office Administration, School Administration, and Specialized Student Needs Administration).

Upon receipt of a written request for a hearing, the Assistant Superintendent and/or the ERC will schedule a hearing to be held, when practical, within ten (10) school days after the initial suspension from school, unless good cause is otherwise shown or upon agreement of the parties.

If the parent or guardian also requested to review relevant records or documents, the Assistant Superintendent and/or the ERC will arrange for a time, at least five (5) days before the proposed hearing, for the student, parent, or guardian and legal counsel or advocate of the student to review any applicable audio or video recording of the incident and, consistent with federal and state student record laws and regulations (e.g. redaction of any personally identifying information of a student witness), any records, documents, or other information that may be presented as evidence at the hearing, including written statements made by witnesses related to the alleged incident leading to the removal from the regular school environment.

Upon receipt of a written request for a hearing, the Assistant Superintendent and/or the ERC will provide the parent or guardian written notice of the following at a minimum:

- The time, place, and nature of the hearing;
- The proposed time and place where the parent will be allowed an opportunity to review the relevant records or documents as identified above;
- A short and plain statement detailing the alleged conduct, the provision of the code of student conduct or state law allegedly violated, and any recommended discipline;
- A statement outlining the rights of the student at the hearing, including that the student shall have the right to: (a) be represented by legal counsel or another advocate of the student's choice at the student's expense, (b) to ask questions of the principal and any adverse witnesses in attendance at the hearing at the request of the principal, and (c) to present evidence, testimony from supporting witnesses, written statements and other documentary evidence during the hearing.

At the hearing, the ERC will examine all evidence involved in the case presented by school administration in order to determine if the alleged violation has occurred. At the hearing, representatives from the school seeking the proposed disciplinary action will offer evidence at the hearing that the student violated the code of student conduct or state law.

At the hearing, the student, parent or guardian, or legal counsel or advocate may: (1) present a defense, (2) question adverse witnesses who are present at the hearing and offering testimony at the request of the campus administration, **excluding individuals under 14 years of age**, (3) offer evidence, including oral testimony from supporting witnesses, written statements, and other documentary evidence and audio or video recordings at the hearing.

In all circumstances in any disciplinary hearing, the anonymity of witnesses shall be protected and witnesses may not be compelled to attend or testify.

Each party to the hearing, upon request to the designated Assistant Superintendent, Mr. Marty McRae, shall receive an electronic or written record of the hearing.

Following the hearing, the ERC will provide a recommendation to the Superintendent that the ERC either accepts, rejects, or modifies the finding of a violation of the code of conduct and/or state law and that the ERC either accepts, rejects, or modifies the recommended student discipline. The student and his parent or guardian shall be notified in writing of the results of the hearing within five (5) school days following the hearing. The written decision shall include all the following information:

- The basis for the decision, including a reference to the provision of the code of student conduct or state law that the student is accused of violating.
- A statement detailing the information that shall be included in the official record of the student.
- A statement detailing the right of the student to appeal the decision to the juvenile court under Alabama Code Section 12-15-115; and

- A statement indicating that all civil cases before the juvenile court under Section 12-15-115 shall be governed by the laws relating thereto and shall be initiated by filing a petition or complaint with the clerk of the juvenile court of Baldwin County.

During the expulsion review committee process, the student will be placed in either in-school suspension or out-of-school suspension, as determined by the school principal.

ALTERNATIVE EDUCATIONAL SETTINGS

Upon removal from a regular school environment for a long-term suspension and/or expulsion, a Student may request to be enrolled into an alternative educational setting. An alternative educational setting is a setting other than the student's regular classroom. It can include a brick and mortar building with classrooms and in-person instruction, virtual instruction, or homebound instruction with an in-person homebound teacher. An elementary school student (defined as grades pre-k to 6th grade) should not be placed in an alternative educational setting with a student or students who are not elementary school students.

Admission into an alternative educational setting upon removal from the regular school environment is reviewed on a case-by-case basis following a request for entry and an in-take meeting. Students who are chosen and allowed to attend an alternative educational setting are also subject to all Board policies and the Student Code of Conduct. Admission and continued attendance in an alternative educational setting is conditioned upon the student's active participation and compliance with all applicable Board policies and the Student Code of conduct.

When a student is removed from the regular school environment, he or she is denied any admission to any other school in the system until the student has cleared his or her record with the school originating the removal even though he or she might have moved into a new attendance zone. The Board, through the Superintendent's development of additional procedures, may impose such reasonable limitations on the student's right to re-enroll in the school system following expiration of removal from the regular school environment, including attendance in an alternative educational setting, as may be permitted by law. As indicated previously in the section regarding enrollment and admission to schools, any procedures regarding readmission may include a rehabilitation/transition plan, including but not limited to recommendations for counseling, community service, or expectations while back on campus. A student who withdraws from school prior to the Board's consideration of a proposed removal from the regular school environment may not re-enroll in the school system until the expiration of his or her removal period and/or until a hearing is held in accordance with the above procedures and/or other appropriate hearing proceedings regarding the recommended removal.

Removal of students with disabilities from the regular school environment and placement of students into an alternative educational setting will be subject to applicable limitations and requirements imposed by the IDEA, Section 504, and relevant implementing regulations thereunder.

SUMMARY OF REMOVAL FROM THE REGULAR SCHOOL ENVIRONMENT PROCESS

STEP ONE: Principal's/Designee's Response

The principal or his/her designee will provide initial notice and opportunity to be heard on suspension, pending removal.

STEP TWO: Principal's Notice

Following the initial opportunity to be heard, if applicable, the principal will communicate his or her final recommendation to the parent regarding the student infraction, his or her recommendation for removal, and any subsequent hearing rights and applicable timelines. If no additional hearing is requested, principal's recommendation of removal will be upheld.

STEP THREE: Assistant Superintendent and Expulsion Review Committee Response

If the parent requests a hearing, the Superintendent, or his or her designee, will schedule a date for the ERC to convene and hear the circumstances that surround the infraction and subsequent disposition. The ERC will consider all relevant written information and will make a determination as to whether the conduct occurred and recommend to the Superintendent that he or she either uphold, modify, or reject the removal recommendation of the principal.

STEP FOUR: Superintendent Response

The Superintendent will notify the parents/guardians following the Expulsion Review Committee hearing to convey the disposition, placement of the student, and to provide any appeal rights under applicable State law.

The Baldwin County Board of Education shall maintain an on-campus suspension program as necessary to provide a structured discipline atmosphere in which a student is isolated or removed from regular classroom activities but is not dismissed from the school setting.

BUS TRANSPORTATION CODE OF STUDENT CONDUCT

BCPSS provides bus transportation to students who are eligible to ride based on State and Local Board of Education provisions. Safety is of utmost importance in the transportation of students; therefore, the Board expects students to follow all rules and regulations regarding school buses.

The principal, or his/her administrative designee, has the authority to deny the privilege of riding a school bus when a student violates established rules and regulations or exhibits behavior deemed inappropriate or detrimental to the safety of others. At such time as it becomes necessary to deny a student the privilege of riding BCPSS buses, it becomes the parents sole responsibility to transport the student to and from school in a timely manner.

Parents/Guardians are urged to contact the school principal with any transportation concerns or problems.

BEHAVIOR EXPECTATIONS AND RULES ON BUSES

BCPSS School officials will impose specific rules and regulations for students to follow in riding school buses. The following rules apply as a part of, and in addition to, any bus conduct rules and regulations adopted by individual schools and the transportation department:

ANTI-HARASSMENT POLICIES

I. SEXUAL HARASSMENT, Title IX, (BOE Policy 6.12)

Sexual harassment, as defined in Board Policy and herein, in any form that is directed toward students is prohibited. Persons who violate the policy will be subject to the full range of disciplinary consequences, up to and including termination (for employees), and expulsion (for students) as dictated by the nature and severity of the violation and other relevant considerations. If appropriate, the circumstances constituting the violation may be reported to law enforcement agencies or child welfare agencies for further investigation and action. The Board reserves the right to modify these policies and procedures in order to comply with applicable law. In the event that any court, agency, commission, legislative body, or other authority of competent jurisdiction issues a finding that limits the validity or enforceability of Title IX or its implementing regulations, in whole or in part, the Board's policies and procedures shall be deemed modified and/or limited to the extent necessary to comply with any applicable court, agency, commission, legislative body, or other authority's finding or order.

A. Definitions –

- a. An employee of the recipient conditioning the provision of an aid, benefit or service of the recipient on an individual's participation in unwelcome sexual conduct (otherwise known as "quid pro quo");
- b. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient's education program or activity; or
- c. Sexual assault as defined in 20 U.S.C. § 1092(f)(6)(A)(v), dating violence as defined in 34 U.S.C. § 12291(a)(10), domestic violence as defined in 34 U.S.C. § 12991(a)(8), or stalking as defined in 34 U.S.C. § 12291(a)(30).

4. Formal Complaint- Formal complaint means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the school system investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity in the school system for which the complaint relates to.

5. Reasonable Knowledge- A recipient with knowledge of conduct that reasonably may constitute sex discrimination in its education program or activity must respond promptly and effectively. B. Jurisdictional issues.

An administrator, campus principal, or his or her designee, may address student issues and impose discipline and/or sanctions through a separate Student Code of Conduct provision if any student acts are found to fall outside the jurisdiction of the Board’s sexual harassment policy: In accordance with Title IX’s implementing regulations, the following are outside the jurisdiction and scope of the sexual harassment policy:

1. **Outside educational program.** Alleged behavior that occurs off-campus, outside an educational activity or program, and only has an on-campus effect;
2. **Outside the United States.** Alleged behavior that occurs outside the United States.
3. **Outside definition of Sexual Harassment.** Alleged behavior that falls outside the definition of “sexual harassment.”

C. Presumption under Title IX.

Under Title IX and its implementing regulations, it is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

Such a report may be made at any time, by using the telephone number or email address, or by mail to the office address listed for the Title IX Coordinator.

Students are also permitted to report allegations of suspected sex discrimination, including sexual harassment to any other administrator, teacher, counselor, or any other Board employee. All Board employees have a duty to promptly refer such allegations to the building principal, so long as the building principal is not the Respondent and/or not alleged to be involved with the report of sexual harassment, and/or the Title IX Coordinator, or his or her designee. If the report involves the campus principal, the report shall be made or filed directly with the Title IX Coordinator by the reporting party or complainant. If a Board employee fails to forward any sexual harassment report or complaint as provided herein, such failure may result in disciplinary action against the Board employee.

Upon receipt of any informal report of sexual harassment from any complainant and/or Board employee, the principal should also notify the Title IX Coordinator of the report. The Title IX Coordinator will make a determination as to whether the principal should review and investigate the concerns, and/or whether the Title IX Coordinator, or his or her designee will review and investigate.

2. Supportive Measures- Upon receiving a informal report, or a copy of a report of sexual harassment, the Title IX Coordinator, or his or her designee, should promptly contact the complainant to discuss the availability of supportive measures, consider the complainant’s wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without filing of a formal complaint, and explain the process of filing a formal complaint.

3. Response- Upon receiving an informal report of sexual harassment, the principal, Title IX Coordinator, or his or her designee, should respond promptly and in a manner that is not deliberately indifferent. A deliberately indifferent response is a response that is clearly unreasonable in light of known circumstances. The principal, Title IX Coordinator, or his or her designee should take steps to investigate the allegations using various procedures and investigating techniques, including but not limited to interviews, phone contact, data reviews, and witness reports.

4. Determination- Following a review and investigation of the allegations, the principal, Title IX Coordinator, or his or her designee should make a determination of whether the allegations have been substantiated as factual based on the preponderance of the evidence and whether the actions appear to be violations of this policy. If the allegations are determined to be true, and a finding is made that the Respondent engaged in sexual harassment, supportive measures may also be offered to the Respondent. In addition, if Respondent is found to have engaged in sexual harassment, responsive actions or recommendations may include any sanctions as listed in the Student Code of Conduct. *Before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent can be imposed, however, the formal complaint and grievance process outlined in Section (E) below must be initiated and followed.*

E. Formal Complaint and Grievance Process

All formal complaints of sexual harassment should comply with the requirements of 34 C.F.R. § 106.45. The formal complaint process should be investigated and findings made with reasonable promptness. Temporary delays of any of the grievance processes, and/or limited extensions of time frames, will be allowed for (1) good cause, with (2) written notice to the complainant and the respondent of the delay or extension, and (3) the reasons for such action. Good cause may include but not be limited to, considerations such as the absence of a party, a party's advisor, a witness, concurrent law enforcement activity, or the need for language assistance or accommodation of disabilities.

In accordance with the requirements of 34 C.F.R. § 106.45, the following procedures will apply to the formal complaint process.

1. Filing the Formal Complaint

A complainant or the Title IX Coordinator may file a formal complaint of sexual harassment. Such complaints should be submitted on the Board's "Sexual Harassment Complaint Form." The Sexual Harassment Complaint Form can be located online or by contacting the Title IX Coordinator. A complainant may file a formal complaint with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed herein. The complainant should sign the document or provide their name if submitting the Sexual Harassment Complaint Form by e-mail. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under 34 C.F.R. part 106 or under 34 C.F.R. § 106.45 See 34 C.F.R. § 106.30(a).

2. Notice.

Upon receipt of a formal complaint, the Title IX Coordinator, or his or her designee, shall provide written notice to the parties (complainant and respondent). The Written notice shall contain the following:

- a. Notice of the Board's grievance process as outlined below, including any available informal resolution process;
- b. Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined and including sufficient details known at the time. Sufficient details should include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known.

- c. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process.
- d. A statement informing the parties that they may have an advisor, of their choice, who may be, but is not required to be, an attorney.
- e. A statement informing the parties that they may inspect and review evidence gathered as a result of the formal complaint process.
- f. A statement informing the parties that the Board's sexual harassment policies and procedures prohibit knowingly making false statements or knowingly submitting false information during the grievance process.

3. Dismissal of Formal complaint.

A formal complaint shall, or may, be dismissed in the following situations:

- a. Mandatory Dismissal. If the conduct alleged in the formal complaint (1) would not constitute sexual harassment even if proved, (2) did not occur in the Board's education program or activity, or (3) did not occur against a person in the United States, then the Title IX Coordinator, or his or her designee, must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX. Such a dismissal does not preclude action under another provision of the Student Code of Conduct.
- b. Permissive Dismissal. The Title IX Coordinator may dismiss a formal complaint, or any allegations therein, if at any time during the investigation or grievance process:
 - i. A complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;
 - ii. The respondent is no longer enrolled in the school system and/or the respondent is no longer employed by the school system; or
 - iii. Certain circumstances prevent the Title IX Coordinator, or his or her designee, from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein (e.g., passage of time, lack of cooperation by the complainant).
- c. Written notice of dismissal. Upon a required and/or permitted dismissal pursuant to the above paragraphs of this section, the Title IX Coordinator, or his or her designee, must promptly send written notice of the dismissal and reason(s) therefore simultaneously to the parties.

4. Investigation process and Written Report.

By authority of the Board, the Title IX Coordinator, or his or her designee, upon receipt of an formal complaint alleging sexual harassment, shall promptly undertake or authorize an investigation (individual investigating is hereinafter "the appointed investigator"). The Title IX Coordinator may be the appointed investigator, or the Title IX Coordinator may choose to have the principal serve as the appointed investigator, so long as the principal is not the alleged respondent and/or so long as the formal complaint does not involve the principal. The appointed investigator may also be another Board official, or a third party as deemed appropriate under the circumstances. The appointed investigator shall conduct a formal investigation to discover and examine the facts related to the allegation(s).

The investigation process should be conducted in accordance with 34 C.F.R. 106.45(b)(5). During the investigation, the Complainant and the Respondent will have an equal opportunity to submit information and corroborating evidence, to identify witnesses who may have relevant information, and to submit questions to be asked of the other party. Questions for the other party will be asked by and at the discretion of the appointed

investigator. The appointed investigator will meet separately with the complainant, the respondent, and any witnesses, and will gather other relevant and available evidence and information. To the extent possible, the investigation will be conducted in a manner that protects the privacy of all parties involved. While the Board cannot guarantee complete privacy, information collected during the investigation will be communicated only to the parties and those with a need to know in order to fulfill the purposes of Board's policies and to comply with applicable laws.

5. Written Report.

The investigation should be completed as soon as practicable. The appointed investigator should prepare a written report which fairly summarizes the relevant evidence. The appointed investigator may draw conclusions as to whether, based on the preponderance of the evidence, an allegation is substantiated, unsubstantiated, or that there is insufficient information to substantiate. The appointed investigator may also draw conclusions as to whether or not any other Student Code of Conduct provisions or policies were violated. To the extent allowed by laws that apply to matters of confidentiality, the written investigative report should be provided to the parties and their advisors in draft form prior to the appointed investigator supplying the final investigative report to the designated administrator who will make the determination of responsibility. The draft investigation report should be redacted in accordance with state and/or federal law before the parties' review.

After the Title IX Coordinator, or his or her appointed investigator, has sent the complainant and respondent the draft investigative report, the complainant and respondent will have ten (10) days to prepare a written response to the draft report. The appointed investigator will consider the response(s) provided, if any, prior to completing the investigation report. The complainant and respondent's response should also contain any written, relevant questions that a party wants asked of any party or witness. Each party will then have an opportunity to provide answers, and an opportunity for any additional, limited, follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The appointed investigator should inform the party proposing questions regarding any decision to exclude a question as not relevant. Ultimately, the appointed investigator has the sole discretion to determine the relevance of evidence, and whether it should be included in, or excluded, from the investigation report. Once the investigative report is complete, the appointed investigator should send the complainant and respondent a written copy of the Final Investigation Report. Both parties will be provided ten (10) days to review the Final Investigation Report and provide a written response if they desire. The Final Investigation Report will be redacted in accordance with state and/or federal law before the parties' review. The appointed investigator shall then submit the written report, and any responses thereto, to the designated administrator.

6. Determination regarding responsibility.

The Superintendent's designee shall be responsible for making a determination regarding responsibility, (hereinafter referred to as the "designated administrator"). The designated administrator, however, cannot be the same person as the Title IX Coordinator or the Title IX Coordinator's appointed investigator. The designated administrator must issue a written determination regarding responsibility. The Respondent is presumed to not have engaged in prohibited conduct until the designated administrator finds that there is sufficient evidence based on a preponderance of the evidence that the respondent has violated the Board's sexual harassment policy.

The designated administrator should review the investigation report, the documentary evidence, and any other relevant information to render a written decision based on the preponderance of the evidence as to 1) whether the conduct alleged occurred; and 2) whether each allegation has been substantiated, unsubstantiated, or that

there is insufficient information to substantiate that respondent violated the Board's sexual harassment policy. The designated administrator may also render a written decision as to whether other provisions of the Student Code of Conduct, policies, and/or rules were violated. If violation(s) are found, the designated administrator may issue and/or recommend sanctions to the appropriate campus principal. The designated administrator should not render a written determination until both parties have been provided ten (10) days to review the above Final investigation report.

Both parties should then be provided a copy of the written determination. The written determination will be redacted in accordance with state and/or federal law before the parties' review. The written determination must include:

- a. identification of the allegations potentially constituting sexual harassment;
- b. a description of the procedural steps taken from the receipt of the formal complaint through the determination;
- c. findings of fact supporting the determination;
- d. conclusions regarding the application of the Board's Student Code of Conduct to the facts;
- e. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the designated administrator recommends being imposed on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided by the school system to the complainant; and
- f. The procedures and permissible bases for the complainant and respondent to appeal.
 - i. The determination regarding responsibility becomes final either (1) on the date that the school system provides the parties with the written determination of the result of the appeal, if an appeal is filed, or (2) if an appeal is not filed, the date on which an appeal would no longer be considered timely.
 - ii. A decision by the designated administrator regarding a determination of responsibility does not constitute an employment action with respect to respondent employee(s). Any sanction imposed on an employee as a result of the determination of responsibility shall be done in accordance with Board Policy and applicable state and federal law.
 - iii. Any recommended sanction(s) imposed on a student respondent shall be done in accordance with the Student Code of Conduct.

7. Appeals.

- a. Right to an appeal.

Should the complainant or the respondent disagree with the designated administrator's finding of responsibility and/or disagree with the Title IX Coordinator's, or his or her designee's, dismissal of a formal complaint or any allegations therein, such party shall submit a written notice of appeal within five (5) days of receiving the written determination of responsibility or dismissal of the formal complaint. The written notice of appeal should include a statement outlining the bases for appeal and any evidence which supports the appeal. The following are reasons are those in which a party may appeal:

- i. A procedural irregularity affected the outcome of the matter;

- ii. New evidence was not reasonably available at the time the determination regarding responsibility or dismissal was made, and such evidence could affect the outcome of the matter; or
- iii. The Title IX Coordinator, appointed investigator(s), or designated administrator had a conflict of interest or bias for or against complainants or respondents generally, or the individual complainant or respondent specifically, that affected the outcome of the matter.

b. Appeal process.:

- i. Upon receiving the written notice of appeal, as soon as practicable, the Title IX Coordinator, must notify the other party in writing when an appeal is filed;
- ii. After receiving the notice of appeal from the Title IX Coordinator, each party will be provided five (5) days to submit a written statement in support of, or challenging, the determination.
- iii. The Superintendent, or his or her designee, will hear appeals of decisions based on student-on-student sexual harassment. (appeal authority)
- iv. The Superintendent will hear appeals of decisions against actions by Board employees. (appeal authority)
- v. If (1) no appeal is filed within five (5) days of the receipt of the notice of the designated administrator's written determination; or, 2) if the appeal authority determines that the appeal does not identify one of the bases for appeal listed above, then the appeal authority will provide simultaneous notice to the parties that no valid appeal was filed and that the decision of the designated administrator is final and the case is closed.
- vi. Upon receiving the notice of appeal, the Title IX Coordinator will forward the appeal, and any supporting information or evidence, to the appropriate appeal authority. The appeal authority will review the appeal documents, the written determination of responsibility by the designated administrator, any new evidence submitted by the parties, and the investigation report and exhibits. The appeal authority will render a written decision which includes a rationale for the decision as to each of the grounds appealed. The appeal authority will forward the decision to Title IX Coordinator within fourteen school (14) days from the date of receipt of the appeal, unless circumstances require additional time. The decision of the appeal authority will be final.

F. Informal Resolution

The Board does not require, as a condition of enrollment, continuing enrollment, and/or enjoyment of any other right, that a complainant or respondent waive his or her right to an investigation and/or adjudication of formal complaints of sexual harassment consistent with this section. Similarly, the Board does not require the parties participate in an informal resolution process under this section, and the Board will not offer an informal resolution process unless a formal complaint is filed. However, if at any time prior to reaching a determination regarding responsibility under the **formal complaint** process, the Board reserves the right to facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication. Should the Title IX Coordinator, or his or her designee, believe that an informal resolution process may be appropriate, the Title IX Coordinator, or his or her designee, shall:

1. Notice.

Provide to the parties a written notice disclosing:

- a. the allegations;
 - b. the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;
 - c. provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and
 - d. any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared; and
2. **Consent.**

Obtain the parties' voluntary, written consent to the informal resolution process; and

3. **Student-on-Student Harassment.**

The informal resolution process will only be utilized in student-on-student complaints, and it will not be utilized to resolve allegations that an employee sexually harassed a student.

G. Confidentiality

All Board employees must keep confidential the identity of a person who complains or reports sexual harassment, including parties and witnesses, except as permitted by law or to carry out the purpose of these regulations.

Board employees should also work to maintain the confidentiality of supportive measures that are provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the school to provide the supportive measures.

H. No Retaliation

The Board will discipline or take appropriate action against any student, teacher, administrator or other school personnel who retaliates against any person who reports sexual discrimination- including sexual harassment or violence- or any person who assists or participates in an investigation, or who assists or participates in the formal grievance process relating to such harassment or violence.

Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment. The exercise of rights protected under the First Amendment does not constitute retaliation prohibited under this section. Charging an individual with a Student Code of Conduct violation for making a materially false statement in bad faith in the course of the grievance process under this part does not constitute retaliation prohibited under this section, provided, however, that a negative determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

I. Harassment or Violence as Abuse

Under certain circumstances, alleged harassment or violence may also be possible abuse under Alabama Law. If so, duties of mandatory reporting under Alabama Code Sections 16-1-24 and 26-14-1 may be applicable.

J. Emergency removal/administrative leave

In addition to offering supportive measures to the complainant, the school system may need to initiate an emergency removal of the respondent from campus. In accordance with 34 C.F.R. 106.44, the Title IX formal complaint and grievance process does not prevent a principal from immediately removing a student respondent from the educational program or activity on an emergency basis, provided that the principal: (1) informs the Title IX Coordinator of the alleged act, and (2) conducts an individualized safety and risk analysis and determines that

emergency removal is necessary in order to protect a complainant or other student or individual from an immediate threat to physical health or safety. In the event that an emergency removal of a student respondent is necessary, the principal should comply with the Student Code of Conduct provisions regarding suspension and expulsion of students in order to provide respondent with the appropriate notice and opportunity to challenge the decision.

Emergency removal does not modify any rights under the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

K. False Statements and Allegations

The Board's sexual harassment policies and procedures prohibit anyone from knowingly making false statements or knowingly submitting false information during the sexual harassment grievance process. A student who deliberately, recklessly, and falsely accuses another student and/or employee of a violation of this policy will be subject to disciplinary sanctions as outlined in the Code of Student Conduct.

L. Record-keeping

All records shall be maintained in accordance with 34 C.F.R. § 106.45(b)(10). Specifically, the school system will keep records related to reports of alleged sexual harassment for a minimum of seven (7) years, including investigation records, disciplinary sanctions, remedies, appeals, and records of any action taken, including supportive measures. If supportive measures are not offered in response to a report, the records retained should document why supportive measures were not offered.

II. ANTI-BULLYING AND ANTI-HARASSMENT POLICY (BOE Policy 6.25)

The student will be dismissed from testing, and the student's test will be invalidated. Local education agency (LEA) personnel will make all students, parents, and/or guardians aware of this prohibition through inclusion of this policy in the Student Code of Conduct Handbook and other regularly used modes of communication.

IMMUNIZATION REQUIREMENT FOR SCHOOL ENTRY

All students are required to have an updated Certificate of Immunization, prior to entering kindergarten or first grade or prior to re-entering the higher grades as mandated by the State of Alabama (Code of Alabama 1975, § 16-30-4). For more information regarding back-to-school immunization requirements, , please visit the Alabama Department of Public Health website.

SICK DAY EXCLUSIONS

If your child is not feeling well, your healthcare provider is the best person to consult about school attendance. Common sense, concern for your child's well-being, and the possibility of infecting classmates should all contribute to the decision about your child staying home versus going to school (American Academy of Pediatrics, 2023). The Baldwin County Public School System relies on recommendations from the Alabama Department of Public Health Communicable Disease Chart for Alabama's Schools and Childcare Facilities and guidelines established by the American Academy of Pediatrics. These references, along with Health Services “Sick Day Exclusions” procedure, are located on the Health Services page on the Board's website.

COMMUNICABLE DISEASES

The policy of the Baldwin County Board of Education is to observe the regulations for the control of communicable diseases in public schools as recommended by the State Board of Health (see Communicable Disease Chart for Alabama's Schools and Childcare Facilities on the ADPH website).. The Board shall exercise its authority to condition the recommendation with regard to the prescribed school program and the dates of admittance.

FOOD ALLERGIES AND ANAPHYLAXIS

Anaphylaxis is the most serious form of an allergic reaction that occurs after being exposed to an allergy trigger. This type of reaction can be life-threatening; therefore, avoidance is the cornerstone of preventing an allergic reaction. The Board has adopted an Anaphylaxis Preparedness Program. A copy of the full policy and procedures regarding Anaphylaxis is available for review in the Health Services Administrative Office and in all School Health Rooms and online at www.bcbe.org under the Health Services link. Anaphylaxis is a medical emergency that requires immediate intervention and treatment. Parents who have children diagnosed with allergies should contact their child's school nurse so that proper preventative measures can be discussed and put in place.

PEDICULOSIS (HEAD LICE)

Pediculosis (infestation by head lice) should not disrupt the educational process. Head lice are a common problem, especially among school-aged children and their families. The lice can attach to the hair of anyone's head. It doesn't matter if the hair is clean or dirty. Head lice are found worldwide in all different places, such as in homes or schools, in the country or city. It doesn't matter how clean, dirty, rich, or poor the place or person is. Though head lice may be a nuisance, they don't cause serious illness or carry any diseases. Head lice can be treated at home, but it's important to check with your healthcare provider first. Head lice are crawling insects. They cannot jump, hop, or fly. The main way that head lice spread is from close, prolonged head-to-head contact. There is a very small chance that head lice will spread by sharing items such as combs, brushes, hats and sports helmets. The Baldwin County Health Services personnel have adopted procedures and guidelines regarding the management and prevention of head lice, based on clinical practice guidelines established by the American Academy of Pediatrics (AAP) and ADPH. For more information about school-related pediculosis management and prevention procedures, contact your child's school health room nurse.

The parent/guardian shall deliver all medication to the school nurse or designated unlicensed medication assistant in the original container with clear, updated instructions for administration. HIV/AIDS infection shall not factor into any decisions concerning class assignments, privileges or participation in any school-sponsored activity. Based on a student's need for accommodations or services, school authorities will determine the educational placement of a student known to be infected with HIV/AIDS on a case-by-case basis by following established policies and procedures for students with chronic health problems or students with disabilities.

Every employee has a duty to treat as highly confidential any knowledge or speculation concerning the HIV/AIDS status of a student. Violation of medical privacy may be cause for disciplinary action. No information regarding a person's HIV/AIDS status will be divulged without a court order or the informed, written, signed and dated consent of the parent or guardian of a minor with HIV/AIDS.

All health records, notes and other documents that reference a student's HIV/AIDS status will be kept Confidential. Access to these confidential records is limited to those named in written permission from the

For any class in which reading books is required, the classroom teacher shall include the titles of the books in the classroom for students to read in the class syllabus. If following a review of the curricula, a parent or guardian would like further information regarding how the instructional materials relate to the content standards adopted by the State and/or would like to physically examine any instructional materials used in his or her child's classroom, the parent or guardian may request that the Board allow such examination at the next work session of the Board. The following procedures will apply, subject to any rules or guidelines issued by the Alabama State Department of Education, to a parent or guardian's request to physically examine instructional materials used in the child's classroom:

1. A parent or guardian should submit a request in writing or by email to the Superintendent;

In grades K-8, the decision to promote or retain will be made in the best interest of the child, subject to any applicable State or Federal laws dictating otherwise. Students may be placed at the level determined most appropriate by the principals. In grades 9-12, students are promoted or retained based on the number of Carnegie credits earned. GIFTED REFERRAL PROCEDURES

Intellectually gifted children and youth are those who perform at or have demonstrated the potential to perform at high levels in academic or creative fields when compared with others of their age, experience, or environment. Teachers, counselors, administrators, parents or guardians, peers, self, or any other individuals with knowledge of the student's abilities may refer a student. Additionally, all second-grade students will be observed as potential gifted referrals using a gifted behavior checklist. For each student referred, information is gathered in the areas of Aptitude, Characteristics, and Performance. The information is entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services.

To make a referral:

- Tell your child's classroom teacher or the school's Gifted Education Program teacher that you would like to have your child referred for the Gifted Education Program.
- The Gifted Education Program Teacher will then begin the referral process by sending a Notification and Consent for Gifted Screening form home for you to sign. This gives permission for the school system to look at previous test results and achievement information. It also allows the system to administer achievement tests, vision and hearing and ask the classroom teacher to complete an evaluation of gifted characteristics seen in the regular classroom.
- Next, a committee at the local school will review all data and determine if there is enough information to continue with the referral. The referral is then sent to Loxley Satellite Office or the Foley PAC building for processing.
- If your child's scores are at the appropriate level the referral will continue. If scores are not at the appropriate level, a letter will be sent home to parents from the Loxley Satellite Office.
- After all testing is completed; you will receive information on the results and eligibility requirements for the program.

For more information on gifted referral procedures and eligibility requirements, please contact Ms. Amy McClellan, Special Services Supervisor, at 972-6858.

For lunch, students may decline 2 of the 5 food items offered and still be considered a reimbursable lunch. For breakfast, students may decline 1 of the 4 food items offered and still be considered a reimbursable breakfast. A reimbursable meal consists of 3 different food components and meets nutrient and portion size standards. Reimbursable meal prices are the same regardless if students decline items as long as a reimbursable meal is served. Students can choose to take all 5 meal components.

For lunch, the food items students choose from are:

- Meat or Meat Alternate
- Vegetable or fruit
- Fruit or vegetable
- Bread/Grain
- Milk

For breakfast, the food items students can choose from are:

- Meat or Meat Alternate
- Bread/Grain
- Fruit/Juice
- Milk

(The breakfast meal may consist of two meat/meat alternates or two bread grains.)

Offer vs. Serve will apply to all grades, Pre-K through 12 for breakfast and lunch. This will allow children to leave unwanted food items off the tray and will significantly reduce waste. Under this policy, children in all grades can decline milk as one of the food items. If children do not choose enough food items to comprise a reimbursable meal, a la carte prices will be charged. School staff cannot make exceptions to the policy, such as requiring that every child take milk. CNP managers and staff will be trained on OVS by CNP Central Office Staff prior to the beginning of each school year.

CHILD NUTRITION PROGRAM DIET PRESCRIPTION POLICY FOR STUDENTS WITH SPECIAL DIETARY NEEDS

USDA regulations 7 CFR 15b require substitutions or modifications in school meals for children whose disabilities restrict their diets. A child with a disability is only provided substitutions or modifications in foods when that need is supported by a statement signed by a licensed healthcare provider (Diet Prescription Form). Baldwin County Public Schools Child Nutrition Program will work with these children to provide the best accommodation possible.

When in the licensed healthcare provider assessment, indicated food allergies may result in severe, life-threatening (anaphylactic) reactions, the child's condition would meet the definition of a "disability," and the substitutions or modifications by the healthcare provider must be made.

Each special dietary request must be supported by a Diet Prescription Form. This form explains the food substitution or modification that is requested. It must be signed by a licensed and recognized medical authority. Diet Prescription Forms for Baldwin County Schools can be obtained at each school from the school nurse, from the Child Nutrition central office, Health Services Central Office, or online at www.bcbe.org.

Under no circumstances are school food service staff and school nurses able to revise or change a diet prescription. If any changes need to be made, the parent is responsible for obtaining a new diet prescription from the healthcare provider .

School food service staff offers special meals, at no additional cost, to children whose disability restricts their diet as defined in USDA's nondiscrimination regulations, 7 CFR Part 15b.

It is advised by the State Department of Education and USDA that all children with diet prescriptions on file obtain new diet prescriptions for each school year. Because food allergies and special dietary needs can change as children get older, it is necessary to obtain updated information from a medical doctor regarding the child's condition and dietary needs.

The Child Nutrition Staff can only accommodate special dietary requests for students. Adults with special dietary needs should review the menu and supplement food from home.

AFTER SCHOOL CHILDCARE

Baldwin County Public Schools offers fee-based, AfterSchool Care (ASC) programs to provide a safe environment with quality programming beyond the traditional school day. Most elementary and some intermediate schools in the district host ASC school year and summer programs. ASC programs serve students PreK through sixth grade, and students attend the program provided on the campus of their enrolled school. Participation in the ASC programs is a privilege, not a right and space is limited based on staffing availability, location logistics, and programming needs. ASC programs include an application process prior to enrollment, and the expectation that students follow program rules, guidelines, and procedures.

To be eligible for participation in Baldwin County Public School's Afterschool Care programs, students should meet the following criteria:

1. Be enrolled in a traditional setting/classroom within the Baldwin County Public School System.
2. Respond to first name.
3. Be fully toilet trained.
4. Be able to interact with other children and adults in a non-aggressive manner. Should a child be a danger to himself or others, he/she may be dismissed from the program.
5. Be able to participate in group activities with other children with minimal additional adult support.

*If your child has any health, medical, or special needs, please document the need on the application form. If additional staff is needed to accommodate your child, there may be a delay in starting the program until adequate staff can be put in place to meet the child's need. The criteria for participating in the Afterschool Care program and the policies by which the program is governed are subject to change at any time at the sole discretion of the Afterschool Care program or the Baldwin County Board of Education.

PRESCHOOL PROGRAMMING

OSR PreK Classrooms

PreK in Baldwin County Public Schools includes an application process prior to enrollment. This includes going to the school to provide two proofs of residency, the child's birth certificate, and completing the state website-AlaCEED. After those steps are completed a random selection process takes place and parents are notified if

their child was accepted into PreK or added to a waitlist. Further steps after acceptance are to take the child's Social Security card and Immunization Certificate to the school and complete the BCBE online registration.

There are requirements to be eligible for PreK in Baldwin County Public Schools. Your child must be fully potty trained, and transportation must be provided daily to school. There is a specific PreK handbook that is given to parents or guardians during the mandatory PreK family orientation meeting. This handbook gives you detailed information about the PreK program. The criteria for participating in PreK and the policies by which the program is governed are subject to change at any time at the discretion of the PreK program through Federal Programs or the Baldwin County Board of Education.
