# Leave a Legacy 2023-2024

## Partners in Education

Did you know that Partners in Education is not just for businesses? It is also for families and anyone that wants to support our school. Partners in Education is one of our main sources for fulfilling our SES PTA budget.

## Legacy Project

We are offering a legacy project for the first 100 families to donate to Partners in Education. Your family will be given a paper to decorate a ceiling tile in the cafeteria. The minimum donation is \$50. Families that have already donated will be included.
