CONTINUOUS ELIGIBILITY

Students will maintain continuous eligibility so long as they earn a grade of C or better in **all (academic & technical)** attempted college courses.

Students who do not meet minimum grade requirements OR withdraw from a course will be ineligible for a minimum of one term.

- May not be served during the summer.
- Students who wish to withdraw must do so through the Coastal Alabama Dual Enrollment website.

Withdrawing from courses or not meet minimum grades may affect future college financial aid eligibility!

PARTICIPATION

Courses have participation requirements and may be cancelled if there are not enough students registered

Required textbooks, equipment, and lab fees must be purchased by the student.

Students can view account information and pay online balances through their OneACCS account

COASTAL BOOKS+

- Money-saving program for course materials
- \$24 per registered credit hour automatically added
- Does not cover lab kits for Science courses
- General studies and computer science only, all other programs are opted out.

ADA

Coastal Alabama Community College is committed to adhering to the Americans with Disabilities Act (ADA).

IEPs/504 plans are not honored by any postsecondary institution. Reasonable accommodations are available to students based on approved documentation.

Students who need accommodations must go through the online request for ADA accommodations on our website. **Students** must initiate and navigate this process.

Questions? Our ADA Specialist:

Mr. Lee Barrentine

NEXT STEPS FOR
BOTH
ACADEMIC AND
TECHNICAL
STUDENTS

Dual enrollment staff will process applications, admit, and register students for their courses!

Students have holds on their accounts and may not make changes to their schedules

The student email address and password is the key to being a successful student at Coastal Alabama!

- After dual staff process student applications, student email information is sent in a final acceptance letter
- Instructors will communicate with students only through Coastal Alabama email

IMPORTANT

IMPORTANT

College attendance policy is not the same as the school policy - follow the instructor's syllabus!

Courses will follow the College calendar and may not line up with high school calendar (spring break, final exams, etc.)

Required items:

- **Coastal Alabama Student ID (Free)**
- **Parking pass for on-campus courses (\$20)**

SUMMER ORIENTATION

Orientation sessions will be offered at the end of summer to help students login to their accounts and prepare for the upcoming semester.

Attendance is strongly encouraged.
