

**Foley Elementary  
Carline Procedures:**

All cars **MUST** use the south entrance off Cedar Street to turn into the parking lot. Form 2 lines of traffic around the paved track closest to the gym. Then, merge into 1 lane in front of gym. Meet your child at a numbered stop along the covered walkway. Look for numbers (1-15) on metal posts.

Parents, please be sure that teachers on duty at car line can see your child's car tag as your car is merging into the single line of traffic.  
No car tag? Then your picture ID **MUST** be presented.

Students must load and unload on the passenger side of the car. Drivers should not exit the car, in order to keep traffic moving.

**No Early Dismissals  
after 2:15 p.m.**
