### GREAT NEWS!

The Bookmobile will be stopping at Swift School every other Wednesday morning this summer! The exact times and dates will be posted before school is out.

The Baldwin County Bookmobile travels 300 miles each week bringing books, movies, audio books, wifi and music to residents who cannot travel to a public library. Patrons include people in retirement centers, children in day care and out of the way spots that are too far for residents to travel to a municipal public library.

Please continue to save your Box Tops and send them back to school when we return in August!
