Educating, Encouraging, and Empowering Trojans!

Welcome Back!

Our first few weeks have seen several 'New Norms' such as mask, one-way hallways, social distancing, etc. Overall students are cooperating with the changes very well.

Many students have been out of the school setting for months. Let's help them get back into the swing of things by doing the following:

1. Bring all items needed for school with you to school. This includes your computer. Make sure it is charged and ready to go. No outside items will be allowed for delivery at DMS.
2. Checkouts must be done before 2:30pm. All other transportation arrangements must be communicated by this time as well.
3. Backpacks only need essentials. Please make certain extra supplies stay home until needed. A laptop, snack, lunch, and water are the only items needed. If your teacher requires a binder, we suggest that you use folders to help lighten the load.
4. Stay organized! Use Google calendar to document test dates and project due dates. Don't procrastinate! Pay attention in class, take notes (even in math), and study for test.

New Staff Alert!

We have a great staff. Be sure to email and communicate with them as needed. We would like to welcome our newest members of our crew.

Tickets for Sporting Events

All Home Game tickets are sold through Gofan.co. Season tickets will be honored for football games. Perfect Attendance and Employee passes will be honored.

Tips for DMS Games:

1. Please use Gofans.co to purchase tickets.
2. Have ticket available and ready to validate upon your arrival to the school.
3. Ticket screen shots are not allowed.
4. Be sure to wear a mask and social distance.
5. Bring a bottle of water to stay hydrated. Concessions are not available.
6. Students fans must call a ride 30 minutes before an event end.
