

Trojan Weekly Update

December 7-11

Basketball: Basketball teams will play Monday at home against Spanish Fort, and Thursday at Central Baldwin. Come out and support our Trojans!

International Baccalaureate: Current 8th graders enrolled in Algebra I attended a presentation about the IB program at DHS. There will be a parent meeting on Wednesday, December 9th at DHS Trojan Hall at 6:00 pm. If you wish to know more about the program, please visit either the DMS website or the DHS website.

DMS Spelling Bee: The DMS Spelling Bee will be Wednesday, December 9th in the Library at 9:00 am. Unfortunately, we will not be able to have guests this time. We will record the bee and have it available afterwards to anyone who requests it. Participants have received information from their English Language Arts teacher.

Mask Reminders: Students are to be reminded that we are still under a mask order and that wearing a mask at DMS is REQUIRED. Masks should cover the nose and the mouth, and should not be worn underneath the nose. This is especially important when students are in the halls and not able to distance from other students.

Kona Ice: Will be here during PE classes on Thursday, December 10.

First Priority: Students interested in growing their walk with Christ are encouraged to attend First Priority each Wednesday morning at 7:25 in the Library. This is a student led organization that features guest speakers from area churches.

Semester Exams: Monday, 12/14 is Math and ACCESS online classes. Tuesday, 12/15 is English/Language Arts. Wednesday, 12/16 is Science and Social Studies. Thursday, 12/17 is Electives and Makeups.

School Calendar: Curious about our school events? Please visit the school website and click on the calendar! All school events and games are posted to our school calendar.
