

Please refer to this map for graduation night. You will need **RED TICKETS**. All bodies count, even babies. Blue tickets **WILL NOT BE HONORED**.

Any items or behaviors that distract, disrupt or in any way impede the ability of others to see or hear the ceremony, such as noise makers, signs, flowers, balloons, etc., are **STRICTLY PROHIBITED and WILL NOT BE ALLOWED INSIDE THE STADIUM**.

Please do not block the sight and hearing of others by leaving in mass once your senior has received his or her diploma. Please be respectful of others by keeping your applause to a minimum so that all families and friends can hear the name of the next graduating senior when it is called.

At the conclusion of the ceremony, all graduating seniors will exit the south side of the stadium and all spectators will exit through the west and north gates. No one will be permitted to reenter the stadium or go back onto the field.

Parking is very limited due to the construction of the new building. **PLEASE, PLEASE CARPOOL IF AT ALL POSSIBLE.**
