What is

"Digital Citizenship"?

Digital Citizenship

Digital Citizenship is the rules for appropriate and responsible use of technology *to EFFECTIVELY ENGAGE* in society.

Digital Citizenship
includes...

INTERNET SAFETY,
EQUIPMENT CARE, and
DIGITAL "NETIQUETTE"

Digital Citizenship

Components of Digital Citizenship

Internet Safety: SAFELY knowing how to protect yourself online.

Equipment Care: RESPONSIBLY taking care of and using devices.

Digital "Netiquette": RESPECTFULLY interacting in the digital community.

What is a "Digiten"?

"Digitens"
A "digiten" is another term for a digital citizen...

A person who uses technology to EFFECTIVELY ENGAGES in society.

Digital Citizens are...
RESPONSIBLE,
RESPECTFUL,
and SAFE when using technology.

Digital Citizens are...
RESPONSIBLE

1. They take care of equipment.
2. They give credit to their sources.
3. They stay on assigned task.
4. They monitor their digital footprint.

RESPONSIBLE digital citizens...

- ... take care of equipment

- ... stay on task

- ... monitor their digital footprint

Do you know what trail you are leaving behind?

Equipment Care

Responsible digital citizens take care of equipment.

- Use clean hands

- Hold devices with two hands

- Do not leave devices on the floor

- Shut down and plug in devices

Staying On Task

Responsible digital citizens stay on task using technology.

- Follow teacher directions at all times

- Stay on school-related websites and apps

- Tell a teacher if you see something that makes you uncomfortable, or if another student is off task

DIGITAL Footprint

Responsible digital citizens create a positive digital footprint.

- Your digital footprint is PERMANENT

- You cannot delete or erase your history online

- Build a positive footprint by staying on task and safe online

Digital Citizens are...
RESPECTFUL

1. They THINK before they post.
2. They are aware of Rights and privacy.
3. They stay on task.

Before you POST

T Is it true?

H Is it helpful?

I Is it inspiring?

N Is it necessary?

K Is it kind?

RESPECTFUL digital citizens...

- ... think before posting

- ...are aware of other people's rights and privacy

- ... stay on task and visit school-related and approved sites

THINK before you POST

Before you POST

T IS it true?

H IS it helpful?

I IS it inspiring?

N IS it necessary?

K IS it kind?

Respectful digital citizens think before posting.

- Make sure to respect others and yourself when communicating online (blog, text, e-mail, post...)

- Build others up!

Respect Copyright

Respectful digital citizens follow copyright laws.

- Learn about copyright vs. fair use

- Give credit to sources used in your schoolwork (including images)

- Do not copy and paste without citing your source

Resources

Stay ON TASK

Respectful digital citizens stay on task.

- Follow ALL directions when using technology

- Only use school-related and approved websites

- Make sure websites and apps are approved by a trusted adult

DIRECTIONS:

☐ 1

☐ 2

☐ 3

Digital Citizens are...

SAFE

1. They protect themselves online.
2. They do not share personal information.

CONFIDENTIAL

SAFE digital citizens...

- ... do not share private information

- ... select strong passwords

- ... do not e-mail or chat with strangers

CONFIDENTIAL

Protect information

Safe digital citizens protect personal information.

- <u>PERSONAL INFORMATION INCLUDES:</u> Full name, address, school, birth date, and phone number…

- Protect private information by not giving it out

- Tell an adult if you are being asked for personal information

CONFIDENTIAL

Create STRONG Passwords

Safe digital citizens create strong passwords.

- Use a mixture of uppercase and lowercase letters

- Include symbols (*, &, %, $, #, @)

- Do not use your name

- Do not use personal information

- Do not share your password with others

Maintain BOUNDARIES

Safe digital citizens create safe boundaries online.

- Tell an adult if someone you don't know tries to talk to you online

- NEVER share personal information with someone you do not know

- Do not e-mail or chat with strangers

DISCUSSION Questions

K-2

- What information should you protect and keep private? Why?

- How can we make a strong password?

- Is it ok to go to any website or app at school? Why or why not?

- What is a "pop up"? What should you do if you see one?

- Should you copy pictures from the Internet?

- Is everything on the Internet true?

- What should you do if someone tries to talk to you online?

- What should you do if you see something online that upsets you?

DISCUSSION Questions 3-5

- What are examples of real world situations involving digital citizenship?

- Is it always ok to post pictures online? What should you THINK consider first?

- How can you maintain privacy online?

- How can you respect the privacy of others? What are some examples of this?

- What is spam?

- Is everything we read online true? How can you tell if it's true or not ?

- What is cyberbullying? What should you do if you encounter this?

- How can you create a positive digital footprint?

- What is the difference between copyright, fair use, and plagiarism?

- Is social media safe for kids? What are the age requirements and terms of use for these apps (Facebook, Instagram…)

Digital Citizenship

TREASURE THESE TIPS!

Treasure Tip #1

Do not share personal information.

Example:
- ➢ Full name
- ➢ Address
- ➢ phone number

Treasure Tip #2

What you post online is permanent. You are leaving a footprint.

Digital footprints cannot be erased...

Treasure Tip #3

Give credit to any sources you use.

Resources

If you didn't create it, you need to cite it...That include pictures!

Treasure Tip #4

Examine information.

Not everything posted is
true or reliable.
Be a critical thinker!

Treasure Tip #5

Keep it CLEAN.

SOAP

Remember to THINK: Is it true, helpful, inspiring, necessary, and kind?

Treasure Tip #6

Check your actions in the mirror.

Would an adult approve?
Teacher? Parents? Principal?
Treasure Tip #7

Be respectful to ALL.

Stand up for others.
No cyber bullying.

Words are powerful. Use them for good.

"Words are like toothpaste; once they come out there's no putting them back where they came from."

Attention Students:

As you began your Distance Learning Journey remember to **ALWAYS** stay safe when using the internet. Ask your parents for permission before visiting unknown websites and before downloading information. Email me if you have questions @ twiggins-bradley@bcbe.org

Love and Miss You!!!
Mrs. Wiggins

Videos and Resources:

Here are many other helpful resources to enhance your study of this topic.
