Senior Countdown 2024

TEACHERS will be given the following information:

Please turn in the name of any senior student making an “F” for the course to the Senior Counselor when you turn in your grade sheets. Do not give an incomplete unless approved by Mrs. Resmondo. Please make sure all Seniors who owe fees have been turned in to Mrs. Anderson at this time. We will hold their cap and gown until they are cleared.

ATTENTION SENIORS:

CONFLICTS:

If there are any conflicts with a **scheduled activity**, you are to get permission from Mrs. Resmondo prior to the activity to be excused, otherwise your absence will be unexcused, and the given consequences will be followed. However, you are being given plenty of time to make arrangements to attend all of the activities from your exams to graduation day. Plan ahead now!

CAPS AND GOWNS:

You will not be allowed to pick up your cap and gown nor participate in graduation activities if you **owe fees, have not completed the FAFSA/Non-Participation Waiver requirement, or Graduation Data Survey**. These can be fees earned at the Virtual School or fees earned at your previous schools. Please make sure your record is clear as soon as possible. Contact Ms. Anderson if you have any questions regarding monies owed.

Just because you have picked up your cap and gown does not mean you are eligible to participate in graduation. **You must have met all of your graduation requirements in order to participate**. If you have questions about this, please contact Mrs. Windham.

Your cap and gown are coming from Herff Jones. The cap and tassel are yours to keep. The gown must be returned immediately following the graduation ceremony to pick up your diploma.

GRADUATION:

Because of seating limitations Seniors will be given 20 tickets. There is no cost for these tickets. Seniors should come to Graduation Practice knowing how many tickets are needed. If a graduate needs additional tickets, reach out to other graduates to make trades at Graduation Practice. If a graduate DOES NOT need all tickets, please trade with those in need or give your extras to Mrs. Payne. After trading tickets, if a graduate is still in need of tickets, reach out to Mrs. Payne. NOTE: Graduation will be live streamed by the Baldwin County School System. All individuals (no matter the age) attending the graduation ceremony must have a ticket.

MANDATORY DRESS – Boys: dress shirt, tie, dark dress pants, dark socks, dress shoes (brown, black, or navy) graduation gown, cap, and tassel. Girls: Sunday dress (dress, blouse/slacks, blouse/skirt), dress shoes, graduation gown, cap, and tassel. **NOTE: Seniors may only wear school issued or approved honor cords, sashes, and/or tassels. See Mrs. Payne for approval.

You have been given a **dress code** for graduation activities. Anyone who is not dressed properly for Graduation will not be allowed to participate in that activity. Please do not test this policy. It would be a shame for your family to attend, and you are not able to participate. If you have any questions about your clothing, contact Mrs. Payne.

Cap Decoration: You may put minor, school appropriate decorations to the top of your cap. These should not distract from the formality of the graduation ceremony and may only be added to the top of the cap. Cap decorations deemed to be inappropriate will not be allowed.

Graduation exercise is a formal occasion. You have worked very hard for this day and you will remember it for the rest of your lives. Show pride in your school, classmates, and yourself by behaving appropriately.

Tassel Procedure: At graduation, your tassel on the cap is placed to the right before the diploma is presented. At a point during the ceremony Mrs. Resmondo will instruct you to move your tassel to the left. Please remember to pause when accepting your diploma if you purchased pictures.

Please ask all family to remain seated until after the graduation ceremony is over. Also, please ask them to keep their cheering to a minimum as it usually drowns the name of the graduate behind you. NOTE: “Balloons, Fat Heads, Confetti Cannons, Air Horns, and anything that obstructs viewing are not allowed inside the building.”

THE END:

Make the most of the time that you have left! **If you have any questions, do not wait, contact Mrs. Payne immediately!!**
