

Prism Families

Programming for parents, legal guardians,
and other loved ones of LGBTQ youth

Support Group

The Prism Families support group meets once a month at the same time and location as Prism Preteens. Prism Families provides a judgment-free space where family members of LGBTQ youth can find peer support, friendship, and a better understanding of LGBTQ issues.

Special Guests

We do what we can to equip parents with the knowledge and local resources they need to support their children. Since the genesis of the Prism Families program in 2019, we've brought in a number of special guests including LGBTQ-competent medical professionals and legal experts to answer questions about trans adolescent care and the rights of LGBTQ youth in the classroom.
