

# Outlaw Physical Science policies and procedures

## FOOD & DRINK POLICY

Food is not allowed in the classroom at this time. This school year we have a several students with food allergies, to help keep them safe I have decided no food is allowed in the classroom. Water is allowed in the classroom if it is in a water bottle with a tight lid.

## EXPECTATIONS

I will give each child the utmost respect and I expect the same in return. Each student should do their best on every assignment and activity. I expect students to follow all school and classroom procedures. I expect each of you to be respectful, courteous, and considerate of others and their property. Finally, I expect you to be an outstanding team player when working in groups and labs!

## ABOUT ME

I am a 2018 graduate of Auburn University, WAR EAGLE!! I received a Bachelor's in Secondary General Science Education and have worked with many different ages while in school.

I am thrilled to be starting my second year here at Fairhope Middle School! The school and community are the best in the state!

I am looking forward to a great school year with all of you! We will be going through several fun labs and investigations this year!

## ABSENCES AND GRADES

Weekly and daily work will be updated weekly (bell ringers, classwork, and quizzes). Please check grades regularly and feel free to ask me any questions that you might have about a particular grade.

If you are absent, YOU are responsible for completing your make-up work. The county policy for making up work is 3 days and will be enforced in this class.

All make-up work will be placed in the "Were You Absent?" bin in the room. Inside the bin you will look for your class period, day of the week you were absent, and then finally the paper with your name. It is your responsibility to ask a classmate or me for help on making up any interactive notebook assignments (you can always borrow my notebook), and/or to meet with Mrs. Outlaw to make up any tests or quizzes.

If you know you are going to be absent beforehand, you should ask me for your make-up work before the absence.

## ELECTRONIC DEVICES

Electronic devices should be kept in students backpacks. Devices should not be out during class, unless otherwise instructed by the teacher or with permission.

First offense: Student will turn the phone into the teacher until the end of class.

Second offense: Student will turn the phone into the teacher until the end of day.

Third offense: Phone will be turned into office and parents will have to pick up the device from the office.

No headphones are allowed to be worn in class.
