

Be Part of Baldwin Prep

Make plans to take part in an informational meeting for prospective teachers who are interested in teaching at Baldwin Prep Academy.

BALDWIN
PREPARATORY ACADEMY

At Baldwin Prep, preparatory means not just college, but preparing our students for the path of their choosing. Programs offered include: health sciences, automotive technology, cyber security, culinary arts, engineering, cosmetology, construction, welding, graphic design, HVAC, teaching, aviation and logistics. Serving students in grades 10-12.

Academics and real-life, on-the-job experience are integrated in a state-of-the-art building designed for academic and industry-specific immersion.

Students take a high level of responsibility at Baldwin Prep. They clock in and out. They wear industry-specific uniforms. They learn time-management skills and professionalism that build a promising future for our graduates and our economy.

Do you want to learn more? Do you want to be part of Baldwin Prep? Make plans to take part in this one-hour meeting. Interested teachers will learn more about how Baldwin Prep will be designed, academic core subjects and z-spaces. This event is for current BCBE teachers and prospective teachers.
