

STONEBRIDGE ELEMENTARY SCHOOL

PARTNER IN EDUCATION PROGRAM

The Stonebridge Elementary Partner in Education Program is established to foster partnerships between our school and the local businesses and organizations, with a hope of utilizing community resources to enrich and extend the educational opportunities for our students.

We are currently seeking companies and individuals who can help with this endeavor. We rely heavily on this program to offset the overhead costs of our major fundraisers and events. The enrollment for this year is approximately 500 students. We cover Kindergarten through Sixth grades. Stonebridge is under the leadership of principal, Mrs. Misty Wilkinson.

Attached you will find information pertaining to this program. 100% of your donation goes directly to our NEW school! Please share this information with any businesses or individuals who may be a potential Partner! ALSO, please consider being a Family Sponsor. Your Family Name/ Student's name(s) will appear on all sponsorship material. If you have any questions, please feel free to reach out to the Stonebridge PTA at stonebridgespta@gmail.com.

HOW CAN YOU BE A PARTNER?
