

BCVSS Environmental Club

- *Monthly bacteriological monitoring at 5 Rivers Delta Resource Center (Spanish Fort, AL)*
- *Results reported at state level*
- *Earn certification and community service hours*

- **Alabama Coastal Cleanup:** Take part in the state's largest annual volunteer event while making a difference to the health of our delta and Mobile Bay.

- **Dauphin Island Sea Lab Field Trip:** Salt Marsh Ecology Field Trip
- **Tour Alabama's Official Aquarium, The Estuarium**

*In addition, members will develop their own strategies (projects and activities) to make a difference in our community
