

Stonebridge Elementary

12750 Bedrock Boulevard
Spanish Fort, Alabama 36527
Lead - Learn - Serve

Parents,

Welcome to Stonebridge Elementary! Working together, we will create a legacy of excellence and continue to lead students to become life-long learners. We will build a strong community and instill knowledge that will lead our students to be the best they can be in a world that is ever-changing. Teaching students and families the 7 Habits through The Leader in Me will help lead them throughout not only their educational career, but throughout life. The Habits include:

- ❖ Be Proactive
- ❖ Begin with the End in Mind
- ❖ Put First Things First
- ❖ Think Win-Win
- ❖ Seek First to Understand then be Understood
- ❖ Synergize
- ❖ Sharpen the Saw

Academically, our teachers participate in professional development to ensure they have a full understanding of the most current teaching methods. Students are provided STEAM opportunities within their classroom, in the STEAM lab, and in the library. Technology is used in each classroom. Students are provided a Chromebook that is used to enhance education and to provide additional support in academic areas. Teachers use interactive Promethean boards throughout the school day to assist in guiding students through educational concepts.

We are so excited that you are a part of Stonebridge Elementary and hope that the upcoming year is a positive experience for you and your family.

Sincerely,

Misty Wilkinson
Principal
