

STONEBRIDGE ELEMENTARY SCHOOL PARTNER IN EDUCATION PROGRAM

The Stonebridge Elementary Partner in Education Program was established to foster partnerships between our school, families, and the local businesses and organizations, with a hope of utilizing community resources to enrich and extend the educational opportunities for our students.

We are currently seeking families, companies, and individuals who can help with this endeavor. We rely heavily on this program to offset the overhead costs of our major fundraisers, events and PTA budget. The enrollment for this year is approximately 600 students, ranging from Pre-K through 6th grade. Stonebridge has approximately 82 staff members with Principal, Misty Wilkinson, and Vice Principal, Rachel Horton, leading the way.

Attached you will find information pertaining to this program. 100% of your donation goes directly to our PTA budget for the various events, programs, and special items both students and staff enjoy throughout the school year! Please share this information with any businesses or individuals who may be a potential Partner! If you have any questions, please feel free to reach out to the Stonebridge PTA at stonebridgespta@gmail.com.

We would like to thank our 2023-2024 Partners. We appreciate your support and hope you will join us again in this upcoming school year.
