

voice; Determining safe vs. unsafe touches; Practicing cyber safety and digital citizenship; and Establishing personal power and influence.

School counselors will be teaching the *Safer, Smarter Kids* curriculum to students at your child's school during the week(s) of January 23 and January 30, 2023. Should you desire to review this curriculum prior to it being taught to your child, you are encouraged to make contact with your child's school counselor, Davina Gantt, at 251.626.9751 or via e-mail at dgantt@bcbe.org in order for arrangements to be made for you to do so.

Should you choose for your child to not participate in the class while the *Safer, Smarter Kids* curriculum is being taught, you will need to notify the school counselor no later than January 20, 2023 so that alternate arrangements can be made for your child during this time.

Thank you for your continued support. By educating oneself, it is believed that we can become a powerful force in making the world a safer place for our children.

Sincerely,

Patrice Davis
