G-L enter at the side cafeteria door (on the South side of the building)

M-R enter at the back 400 hall entrance (this is next to the band room entrance, West side of the building)

Please look for the signs. **Lion Leaders** will be at each entrance to check off your name. They will direct you to your Homeroom. If you arrive later than 9:45 please go to the **front entrance**.

Why participate in Camp Lion Pride?

This is a great opportunity to get to know your school before the first day of class. Meet your Homeroom teacher- you will be with them for **four** years! Meet your **Lion Leaders**- these upperclassmen will help ease the transition into the High School Pride. They will be with you all year long.

What you need to know before you go:

You must be in school appropriate dress and **WEAR A MASK**. We will social distance even in our large group. Follow the instructions of your Lion Leaders. Have a ride home ready to go. They must pick you up where they dropped you off. Bring a positive attitude and keep the phones in your pocket. Welcome to the Pride! Go Lions
