

Parents and Guardians,

We would like to extend an invitation to you to visit our “Parents’ Place” housed inside the Learning Lab located down the main hallway of W.J. Carroll Intermediate. It is filled with resources to help assist you in supporting your student’s education. We have books for you to check out as well as access to online supports. Parents’ Place is open every day from 8:00-10:00am. If your student participates in Math Boosters, you are also welcomed to come join us for an afternoon session from 3:00-4:00 any Tuesday or Thursday until the end of April. The resource center will also be open during our Leader in Me Family Bingo Night. As the Instructional Coach for our campus, I would be happy to meet with you if you have questions or concerns regarding how best to support your student’s growth. Please reach out to schedule a time to visit. I look forward to seeing you and working with you in our Learning Lab.

Sincerely,  
Jenny Hamilton  
Instructional Coach
