

## Report Cards, Honors, Yearbooks, Chromebooks/Chargers, Library books and Textbooks

1. **Report cards** will be mailed home next week. For any student that didn't complete the 4th quarter assignments, I will attach a letter that will outline what you will need to do to get that work completed.
2. **Honors/Awards** We typically have an honor's night program, however, we will not be having that this year. We will be mailing these honors and awards home sometime in June.
3. **Yearbooks** are supposed to be in at the end of May. Once we get those in, we will coordinate with all of our parents who purchased one to come to the school to pick it up.
4. **Chromebooks/chargers** will be kept by students during the month of June. Once we determine dates and times to drop these off, I will communicate that information to you.
5. **Library books** will need to be turned in as soon as you can. We placed a library bin outside the front doors to the school where you can drop off any library books. Also, if your child checked out a **textbook** through the library, then bring it as well.
