Principal

Matthew Parkin  
Assistant Principal

This year, Foley Middle School is proud to bring back S.C.H.O.O.L.S. for our students, to prepare them for future academic success. The ACT is a required standardized test most students take for the first time during their junior year in high school. However, we are providing Foley Middle School students the opportunity to gain exposure, learn standardized test taking strategies, and provide foresight towards what it takes to score competitively on the ACT. Studies have shown middle school students can score higher than their counter peers in higher grade levels when they enter an ACT prep program.

S.C.H.O.O.L.S is a proactive, preventative program dedicated to improving the quality of life for youth. The goal of S.C.H.O.O.L.S is to prepare students for standardized tests, provide achievement building activities, and infuse elements of character into k-12 and collegiate curriculum frameworks. Your student's ACT scores will rise to reach the 2022-2026 NATIONAL ACT BENCHMARKS through participation in this program (Belle, 2022). This program is FREE to the first 60 students who respond with a signed permission slip. **All students who are selected to participate in the program will follow the terms and conditions listed below:**

1. Have access to the program during Focus class from 7:45am- 8:45am on Tuesdays and Thursdays, according to the posted schedule.
2. Attend all ACT prep sessions on campus/online
3. Obtain a valid picture ID
4. Required to take the mock ACT

5. Required to take the national ACT test on February 11, 2023 (Failure to take the National ACT test will result in refunding \$155.00 for the cost of the program.
6. Transportation will be provided if needed.
