

Good Afternoon Parents and Guardians,

Mrs. Gantt and I have comprised a list of agencies and their numbers, where you can get help, and activities you can do with your children. I just want you to know that all the teachers and staff miss your children very much. We hope you are all doing well and staying healthy. Teachers will be reaching out very soon and giving you information about what the next step will be in the new at home learning.

Stay connected to family and friends through social distancing. Call a friend, texting, social media, write them a letter, drive by –honk and wave, and zoom.
