

SUPPORT YOUR CHILD'S LEARNING THIS SUMMER!

GIVE YOUR CHILD A FREE MENTOR
AND TUTOR (VIRTUALLY)

We connect talented college mentors and tutors with K-12 students to help students learn and grow academically during the Coronavirus pandemic.

Our tutors facilitate lessons (over video) in all subjects and work to ensure that your child is prepared academically for next year!

Sign up at CovEd.org!

*Tutors have not done a CORI background check. Parents are required to be present for all tutor and student meetings
