

We need your help with our Free/Reduced Lunch Forms

Please fill out these forms online as soon as possible. If you received free or reduced lunches last year, you will continue to do so for the first 30 days of this school year. You must fill out the forms again this year to continue free or reduced lunches after the 30 days.

However, we need your forms on file by September 20 for these numbers to count toward our school receiving Title I-funding. This funding has helped us pay additional teachers and part-time instructors as well as purchase instructional supplies and provide parent resources and presentations to help you become more involved in your child's education.

Last year the numbers for this were calculated before the 30 days had expired and many parents had not filled out their forms for the rest of the year so we did not receive all the Title I- funding we could have. The money lost would have been enough to have hired an additional part-time instructor to help deliver intervention to students in need.

Your information is completely confidential. If you need assistance accessing the online forms, you may come by the school. We will have computers available and will assist you if needed.

If you are unsure whether you qualify for Free/Reduced priced lunches, fill out a form and find out. It is based, not only on income, but also on the number of people in your household.

September Dates and Information

- Good attendance truly makes the difference in doing well and barely getting by: Instruction begins at 7:50 a.m. each day. Students need to be on campus at 7:45 a.m.
