Camp Connect is a healing bereavement day camp for children ages 6-17 who have suffered a loss or those who have a terminally-ill loved one.

*Camp Connect Tallahassee April 2021*

Camp Connect gives children the opportunity to explore and express their emotions, equips them with a better understanding of their grief and offers ways of coping with their feelings — all while making connections with others who have experienced a loss.

“Tommy” attended Camp Connect. There, he met other children who had experienced the death or terminal illness of a loved one. Though they shared a great sadness, Thomas and his new friends found comfort in relating to one another.

Thomas is planning to return to Camp Connect. The grief of losing his mother still weighs heavy on the boy’s heart, but thanks to Camp Connect he knows he’s not alone and that he can be a comfort for others, just as they are for him.
