Meeting at 8:15

April 26 – Progress
Reports go home;
Special snack for
sale during PE

Habit 7-Sharpen the Saw (Balance is best)

The month of March our school focused on Habit 7- Sharpen the Saw (Balance is best). Below are reminders that you can review with your child to help them continue to build on the seventh Leader in Me habit. Don't forget you can also reference your Parent Guide that went home with your child prior to Christmas break.

- I take care of my body by eating right, exercising, and getting enough sleep.
- I balance my time between school, extracurricular activities, family, and friends.
- I am always learning how to become a better person.

Students in 1st through 6th grades will start state testing on Monday, April 1st and will conclude on Friday, April 12th. Here are some reminders that may be helpful for your children during these two weeks.

- Be on time and present to school each day.
- Get a good night's rest the night before.
- Eat a good breakfast before school or at school.
- Stay positive and remind them that it's their time to shine and show us what they know.

PTO would like to thank everyone that joined us for the PTO Movie Night. It was a huge success and a night of fun had by all. A extra special thank you to everyone who donated the food and drinks for the night.

Technology Safety Tips

- Make your own family media use plan.
- Treat media as you would any other environment in your child's life.
- Set limits and encourage playtime outside.
- Screen time shouldn't always be alone time.
- Be a good technology role model.
- Limit digital media for the youngest family members.
- Create tech-free zones.

Come See Their Genius!

Please join us for a time for teachers to share something special about your child, as well as for the children to share something they are proud of from this school year. Children may also receive awards during this time. Please see below for your child's assigned day and time. If your child is in kindergarten or 6th grade, their day will start off in the MPR before moving to the classrooms. All other grades will meet in the classroom.

Kindergarten Celebration-May 20th at 8:30

5th Grade "Come See My Genius"-May 20th at 10:00

2nd Grade "Come See My Genius" May 20th at 1:15

6th Grade Celebration-May 21st at 8:30

1st Grade "Come See My Genius" May 21st at 10:00

4th Grade "Come See My Genius" May 21st at 1:15

3rd Grade "Come See My Genius" May 22nd at 1:15

Principal: Dr. Daugherty

Assistant Principals: Mr. Weichert & Mrs. Law
