## Habit 3-Put First Things First (Work First, Then Play)

The month of November the school focused on Habit 3-Put First Things First (Work First, Then Play). Below are reminders that you can review with your child to help them continue to build on the third Leader in Me habit.

- I do the things that I have to do before I do the things I want to do.
- I stay focused on what I'm doing. I try to minimize distractions and regroup if I get off task.
- I spend my time on the things that are important.

## Christmas Information

## Our Gift to Parents

As a school, we have purchased Leader in Me Parent Guides to assist you in learning about the habits and being able to practice these with your students at home. This will go home with your child prior to Christmas break so please be on the lookout. According to the Leader in Me site, "The *Leader in Me* Parent's Guide is based on the timeless principles found in *The 7 Habits of Highly Effective People* and *Leader in Me*. This introductory guide shares easy-to-understand ideas and activities, and a reading list to help you teach and model powerful 7 Habits principles to your children and/or teens at home." We look forward to having you take on this learning partnership with us!
