Habit 6 - Synergize (Working Together is Better)

The month of February our school focused on Habit 6- Synergize (Working Together is Better). Below are reminders that you can review with your child to help them continue to build on the sixth Leader in Me habit. Don't forget you can also reference your Parent Guide that went home with your child prior to Christmas break.

- I get along well with other people and work well in groups.
- I value the strengths of others and allow myself to learn from them.
- I know that by working together as a team we can get more done and come up with better solutions than we could alone.

Field Trip Info

The district guidelines state the following...

"Chaperones are expected to be with students at all times including transportation by bus (as that is our means of transportation)."

"Adults (other than the chaperone) or children outside the class or group may not be transported or participate."

Please know we want you to be able to participate in your child's learning and if there isn't an opportunity for you to chaperone, there will be other opportunities to be involved. We want to keep students safe and will enforce the county guidelines. Thank you for helping us follow the rules and teaching students the importance of following the rules.

PTO Movie Night

PTO will host Movie on the Field, a family friendly movie night, on the RHS football field on Friday, March 22. The movie will start at 7:00 PM. More info will be coming soon. All students who attend must be accompanied by their parent.

Class and Spring Pictures

Class and spring pictures will be taken on March 18th. Students may dress out of uniform that day for pictures.

Technology Safety Tips

- Be familiar with the sites your child visits and the games they play
- Know their "online friends"
- Know their passwords
- Keep an ongoing dialogue about the ways they are using digital technology and its effects
- Keep your security software up to date
- Post information about and photos of your children wisely
