Habit 8 - Find Your Voice

The month of April our school focused on Habit 8-Find Your Voice. Below are reminders that you can review with your child to help them continue to build on the eighth Leader in Me habit.

- I have found something that I am good at and really like doing
- I am proud but do not boast.
- I use my expertise to help and inspire others

Our PE coaches have been working hard to ensure this year's Field Day experience is new and exciting for all of our students-PreK through 6th grade. With that being said, we will be doing a Glow Run in the gym in place of the field day

activities. This will be an opportunity for students to help us raise money for the PE department, while also having a fun experience in an air conditioned environment. We believe this will be a new and fun tradition that we will be able to continue for many years. Students will also be able to purchase snow-cones, popcorn, and cotton candy that day for \$2 each. Parents are welcome to join us, but please know we may need to use you as volunteers for the running activities that day.
