Field Trip Info

The district guidelines state the following...

“Chaperones are expected to be with students at all times including transportation by bus (as that is our means of transportation).”

“Adults (other than the chaperone) or children outside the class or group may not be transported or participate.”

Please know we want you to be able to participate in your child’s learning and if there isn’t an opportunity for you to chaperone, there will be other opportunities to be involved. We want to keep students safe and will enforce the county guidelines. Thank you for helping us follow the rules and teaching students the importance of following the rules.

Our school will be celebrating Red Ribbon Week, October 28-Nov. 1, this year. We will have dress-up days, special class lessons, and give-aways to remind our students to make healthy choices and remain drug free.

Storybook Character Parade

After gaining parent and teacher input, it has been decided to have the Character Parade around Dr. Seuss’ birthday in early spring so that the children have some fun opportunities during that time of year since there is not as much going on as there is in the fall. We will be able to tie it into Read Across America week where the kids will have more opportunities to dress up and we will be incorporating some reading initiative during that time. The week will conclude with the Character Parade. We look forward to having you join us then.
