

# REINDEER LANE

It is that time of year when the library transforms into, Reindeer Lane, the ultimate school gift shop! Students will have the opportunity to shop for gifts for their family (or friends) during their regular library time. The "store" will be open from December 3-14. Be on the lookout for the flyer that will come home soon. A reminder will also be sent home the day before each class is scheduled to shop so you will know exactly when your child will have the opportunity to shop.
