FEEF

FEEF is offering enrichment lessons at home. Join FEEF on Facebook Tuesday through Friday this week for STEAM enrichment lessons at home. The site is

<https://www.facebook.com/FEEFairhope/>

To find out more about how you can help FEEF continue to provide enrichment inside and outside of the classroom check out <https://feefonline.org/membership/>

Optional Weekly Family STEAM Challenge: Lava Lamps

Are you interested in a fun activity that deals with density, intermolecular polarity, and gas? Then I have the thing for you: Do-It-Yourself Lava Lamps!

You will need the following:

Empty plastic water bottle

Ziplock Bag

At least one package Alka-Seltzer tablets

Food coloring

Vegetable oil

Check out the links to these two sites:
