The Captain’s Log, by Principal Broughton

Change – the one sure thing in life. We’ve had lots of changes lately! Between new teacher units and grading policies – we’ve had lots of students adapting to change. I appreciate the positive attitude your children displayed as they coped with change. It took a lot of courage and faith to know that one can make a new situation good. I firmly believe that one of the greatest life- skills a parent passes on to a child is the ability to adapt and cope with the constant changes in life!

Study Skills: Think about making Sunday afternoons your transition day for school. Lay out the uniforms and pull out the books to pre-read the chapter to be studied on Monday. Review your fact families. Write a summary of the weekend!

Walking School Bus
Thursday morning the Walking School Bus will celebrate this international initiative to walk to school. We are fortunate to have strong, committed volunteers to run this program for our children. We will meet at Citizens Bank at 7:10 and walk at 7:20AM. If you are not registered with the program – a parent must accompany the student to participate.

Bike to School Day
Helmets required

Friday, November 8th (SECOND Friday) is the Bike to School Day Iron Bowl Challenge! The bike parking area will be divided into an Auburn zone and an Alabama zone. Which team can get the most bikes? Help your team win by biking to school and you’ll also get a spoke bead for your bike! Remember to wear your helmet, enter FIS via the sidewalk at the main entrance on Bishop and walk your bike once on campus.

STEAM ROLLING
STEAM is a way of thinking at Fairhope Intermediate School! We are building a culture of Science, Technology, Engineering, Art, and Math in cross-curricular studies that occur daily in every classroom! Vocabulary abounds and is used throughout the day! Here are some of our signature STEAM projects:
Audio-Visual Production and Live Streaming
Pirate Patch
Science Olympiad
Alabama Outdoor Classroom observations
Robotics
Coding

Halloween Reminders
No Costumes
No Candy
No Gum
Leave all the above at home for your family to enjoy!
