

April 17-21

Mrs. McCaa & Mrs. Gilliland

Contact: jmccaa@bcbe.org

Upcoming Events

4/24: Meet the Kindergarten Teachers Information Night 5:00-5:30 in the Pre-K Classroom.

Theme

Theme: Space

Sensory Bin: Moon Sand

Reminders

You are invited to attend a Meet the Kindergarten Teacher night on 4/24/17 from 5:00-5:30. This is an opportunity for you to meet the teachers, learn about kindergarten expectations, and have questions answered. You will earn 1 parent hour for attending.

Skills

2D and 3D Shape recognition
Using Print Concepts and emergent reading skills (Creating a Space Book)
Numerals and Quantities (Building rockets with unifix cubes)

Did You Know?

This week we did several activities relating to space. We explored how craters are created on the moon, made telescopes, and discovered what makes the night sky.

Ask Me!

What might you see in the day sky? In the Night sky?

Ask your child to find a square, triangle, rectangle, rhombus (diamond), and a circle somewhere in your home.
