County Board of Education of Baldwin County, Alabama  
2600 N. Hand Avenue  
Bay Minette, AL 36507

Dear Mr. Wilson,

PFM is pleased to provide this letter of proposal to provide financial advisory services, primarily as pricing advisor, to the Board of Education of Baldwin County (BCBE).

PROPOSED SCOPE OF SERVICES AND FEES

In anticipation of BCBE’s upcoming Series 2014 bond issuance in the approximate amount of $74 million for the refunding of certain debt issued previously, BCBE desires financial advisory services, particularly assistance in pricing negotiations with the underwriting team.

To provide Pricing Advisor Services as outlined below, PFM proposes a fee of $17,500, inclusive of expenses.

PFM’s proposed approach for pricing negotiated bond sales is summarized below.

1. Analyze Market Timing – Review Economic Calendar, Upcoming Bond Sales, Visible Supply, among other market resources to help develop, in conjunction with BCBE and the underwriting team, the optimal timing of sale.

2. Evaluate Issuer(s) Credit and Assess Investor Perception – Analyze prior Credit Rating Reports and other related information.

3. Develop a Target Pricing Analysis – Provide a Pre-Pricing Booklet that includes the Financial Advisor’s Pricing Scale for review with the BCBE. PFM’s Pre-Pricing booklet will include, and our Target Pricing Scale is informed by: a) Historical Pricing Analysis, b) Comparable Transactions Pricing Performance Analysis; c) Review of MSRB Trade Data, and, d) Review of Market Indices and Trends—MMD Scales, Consensus, Bond Buyer Indices, and, e) the daily market presence and experience of PFM’s dedicated Pricing Group.

4. Negotiate Underwriter Spreads, if requested – Establish optimal takedown levels and provide recommendations for liability and designation rules, if appropriate.

5. Review underwriter’s pricing views

6. Proactively Participate in Pre-Pricing Negotiations
7. **Provide Analysis and Advice Regarding Structure** — Review coupons, yields, recommended call features and maturity structure

8. **Monitor BCBE’s Bond Order Period (day of pricing)** — a) Review comparable transactions pricing at same time; and, b) Track orders for UNA’s bonds

9. **Participate in Final Pricing Negotiations** — Including review of orders and allotments

10. **Recommend Acceptance/Rejection of Underwriting Team’s Offer**

11. **Provide Secondary Trade Data**

12. **Assist in Reviewing Closing Documentation, as needed**

13. **PFM Team** — Phil Dotts, Managing Director, and Joshua McCoy, Senior Managing Consultant, will serve as engagement managers and day to day contacts for BCBE. In addition, PFM’s Preqng Group will join the core team during the pricing process.

If PFM is hired to provide Preqng Advisor Services, we would suggest a brief paragraph be added to the Official Statement such as the following, subject to approval from your legal counsel:

> "FINANCIAL ADVISOR Public Financial Management, Inc has served as financial advisor, specifically to provide pricing advisory services to the Baldwin County Board of Education with respect to the sale of the Bonds"

We believe that our independent advisory services will benefit the Baldwin County Board of Education and appreciate this opportunity to work with you on this transaction.

Sincerely,

ITEM: APPROVAL OF NEW BOARD POLICY #986 SECLUSION OR RESTRAINT OF STUDENTS

Background Explanation:

At the November 19, 2013 board meeting, the board approved the dissemination of new board policy #986 for input from local schools and organizations; however, the policy was never brought back to the board for final approval. Attached is the new board policy.

Recommendation:

It is recommended that the board approve new Board Policy #986 Seclusion or Restraint of Students as stipulated herein.

Date: ___________________________ Submitted by: ___________________________

Superintendent
SECLUSION OR RESTRAINT OF STUDENTS

The Baldwin County Board of Education requires that all schools and programs within the school district comply with State Board of Education Rule 290-3-1-.02(1)(f) regarding the use of "seclusion" or "restraint," as those terms are defined within the rule.

Seclusion, Mechanical Restraint, Chemical Restraint
The Board prohibits the use of seclusion, mechanical restraint and chemical restraint as those terms are defined in State Board of Education Rule 290-3-1-.02(1)(f).

Physical Restraint
This policy is not intended to prevent the use of physical restraint in limited circumstances where a student is an immediate danger to himself or others and the student is not responsive to less intensive behavioral interventions, including verbal directives or other de-escalation techniques. Physical restraint is prohibited as a form of discipline or punishment.

The Board of Education recognizes that in determining when and how to implement this policy and any procedures related to it, educators will be required to exercise their professional judgment and discretion. Therefore, this policy is not intended to be construed as imposing ministerial duties on individual employees. Further, it is not intended to interfere with the duties of law enforcement or emergency medical personnel.

For schools and programs within the school district that use physical restraint as defined within the State Board of Education rule, the Superintendent or designee shall develop and implement written procedures governing its use, which shall include, at a minimum, the following:

1. Staff and faculty training on the use of physical restraint and the Board's policy and procedures related thereto;

2. Documentation in written or electronic form of staff and faculty training on the use of physical restraint, including a list of participants in each training, which list must be made available to the Alabama Department of Education or any member of the public upon request;

3. Written parental notification of the use of physical restraint within a reasonable time, not to exceed one school day from the date of the incident;

4. Documentation of the use of physical restraint and a debriefing session held by staff or faculty participating in or supervising the restraint for each student in each instance in which the student is restrained;

5. Periodic review of the use of restraint and the documentation described in paragraph 4 above;

6. Annual reporting to the Board of the use of restraint and the accompanying documentation, as well as any prohibited use of seclusion and chemical, mechanical or physical restraint;
7. Annual submission to the Alabama Department of Education of the documentation submitted to the Board in accordance with paragraph 6; and

8. Inclusion of the procedures in the Board’s Code of Conduct and/or the student handbooks.
**ACTION AGENDA (X_New/___Unfinished Business)**

**ITEM: RAPID NOTIFICATION SERVICES—SCHOOL MESSENGER**

**Background Explanation:**

Rapid Notification Communication is a critical component to the life, health and safety of Baldwin County Public Schools' students, employees and community stakeholders. Rapid Notification is used for alerting parents, students and stakeholders to dangers, such as severe weather and other threats, and it is used to calm fears and prevent or combat rumors that might lead to widespread panic.

**Important points:**

- Rapid Notification Communication Services are included in the already-approved FY 2015 budget; because the service affects life, health and safety, the service is not subject to bid law.

- School Messenger, 718 University Ave., Los Gatos, CA, has committed to provide Rapid Notification Communication Services for $63,800/annually via an annual, renewable contract, subject to review by the Communications Dept. at the end of each 12-month term; payment amount forward to be adjusted according to student enrollment. Service will be continued until the Board decides to cancel the contract.

**Recommendation:**

It is recommended that the Board contract with School Messenger for rapid notification services as stipulated herein.
