Remediation for Juniors Who Failed the AHSGE

Students who fail one or more of the following AHSGE subtests will be remediated as follows:

- **Mathematics**
  Juniors who fail the course(s) equivalent to Algebra I will be remediated in one of the courses:
  - Algebra IA or IB or Algebra I
  Algebra IA/IB and Algebra I teachers will use their curriculum guide to note the dates that the AHSGE objectives were taught. For documentation purposes, a copy of the class roll(s) will be attached to the curriculum guide, which will be collected by the principal’s designee upon completion of the course.

  Juniors who pass the course(s) equivalent to Algebra I will be placed in one of the following courses:
  - Prep Assistance Math (8101) or Prep Assistance – All Subjects (8100)
  For documentation purposes, Prep Assistance teachers should obtain a copy of Alabama High School Graduation Exam Reteaching Form - Mathematics and note the dates that the standards and objectives are reviewed. This documentation will be collected by the principal’s designee upon completion of the course.

- **Biology**
  Juniors who fail the course equivalent to Biology will be remediated in one of the following courses:
  - Biology or Honors Biology
  Biology and Honors Biology teachers will use their curriculum guide to note the dates that the AHSGE objectives were taught. For documentation purposes, a copy of the class roll(s) will be attached to the curriculum guide, which will be collected by the principal’s designee upon completion of the course.

  Juniors who pass the course equivalent to Biology will be placed in one of the following courses:
  - Prep Assistance- Science (8102) or Prep Assistance- All Subjects (8100)
  For documentation purposes, Prep Assistance teachers should obtain a copy of Alabama High School Graduation Exam Reteaching Form - Biology and note the dates that the standards and objectives are reviewed. This documentation will be collected by the principal’s designee upon completion of the course.

- **Language/Reading**
  Teachers will remediate juniors in English 11 classes and use the English curriculum guide to note the dates the AHSGE objectives were taught. For documentation purposes, a copy of the class roll(s) will be attached to the curriculum guide, which will be collected by the principal’s designee upon completion of the course.

- **Social Studies**
  Teachers will remediate juniors in U.S. History II classes and use the U.S. History I curriculum guide to note the dates the 10th grade AHSGE objectives were reviewed. For documentation purposes, a copy of the class roll(s) will be attached to the curriculum guide, which will be collected by the principal’s designee upon completion of the course.
