I, ______________________, would like to request the opportunity to obtain credit for

(student's name)

_______________________________ through credit advancement.

(course name)

I have read the credit advancement question/answer document and understand the process for attempting credit advancement. I understand that credit earned through credit advancement will be posted on my transcript in a separate column identified as credit advancement, and the final grade earned will be used in the calculation of my grade point average. I understand that I cannot retake the class after receiving credit and that credit advancement courses are not weighted.

Admission and eligibility requirements of various organizations are subject to change, and it is the student’s responsibility to consult with outside organizations such as universities, the Alabama High School Athletic Association, military branches, NCAA, etc. to determine how credits earned through credit advancement might affect eligibility, admissions, or status. Credit advancement courses are not approved by NCAA.
