7. A $5.00 late fee will incur if tuition is not received before midnight on Sunday.

8. The fine for late pick-up will be charged at $2.00 per minute after 5:30 p.m. per child – due when you arrive to pick up the child.

9. Non-payment of fees will result in dismissal from the Program.
10. Repeated late pickup may result in dismissal from the Program.

11. It is your responsibility as parent or guardian to keep ASC informed with up to date contact information.

12. In general, no medication will be administered by After School Care Staff, unless your child’s medical needs dictate it. Students should go to the school nurse prior to coming to Afterschool Care for medications. Should you feel your child would require medication during the Afterschool Care Program, contact the Afterschool Care Program Office so we can address his/her medical needs on a case-by-case basis.

13. **On Early Dismissal days the After School Care Program is NOT offered.** The Afterschool Care Program follows the same calendar as the school system and is closed when schools close.

14. ASC Registration is good for any Baldwin County Public School. If you relocate, you will NOT need to pay the registration fee again during the same school year.

15. If you relocate, acceptance into Afterschool is NOT guaranteed at the new school. If the Program is full at the school you move to, you will be added to the WAIT LIST.

16. Students cannot be checked in to school just to attend ASC. Students must attend school during the day to attend Afterschool Care.

17. If a student has been suspended from the bus, Principal’s approval must be received prior to the student attending the Afterschool Program.

18. The After School Care Programs Supervisor or School Principal may at any time, at his or her sole discretion, permanently dismiss a student from the After School Care Program should a student’s conduct merit dismissal.
Dear Parents,

The Afterschool Care (ASC) Program continues to grow! In 2003, when I began working with ASC we were serving 762 students. In 2018-2019, we served over 2600 students in Afterschool Care. We appreciate that you entrust your children to our care. Please read this handbook with your child so you both fully understand our policies. In Baldwin County, After School Care (ASC) Programs operate every school day and follow the same calendar as the school system. Our Programs close when schools close and are NOT offered on early dismissal days. ASC is a service offered to public school parents who need care for their children after the school day ends. The goal of the After School Care Program is to provide a safe and secure place for your child. ASC maintains an adult to child ratio of one Worker to 15 students which provides a secure and enjoyable environment.

The term “parent” within this handbook shall encompass “parent(s)” or “legal guardian(s)”. It is the sole duty and responsibility of the parent or guardian to update contact information should it change.

This handbook outlines the policies and procedures followed by all 28 After School Care Program sites. These policies and procedures are subject to change as needed.

The non-refundable registration fee and tuition fee for the first week must be submitted prior to your child attending the first day in the Program. We also recommend you keep this handbook in a convenient place for future reference. The Parent Handbook is also posted on the bcbe.org website under directory/after school care. If you have site specific questions, contact the Site Manager at the school or our office at (251) 972-8518. We look forward to serving you and your family in the months ahead.

Sincerely,

Cherry Penn
Afterschool Programs 
Supervisor
Board Policy

It shall be the policy of the Baldwin County Board of Education (“Board”) that no student shall be denied the benefit of any educational program or educational activity on the basis of race, color, national origin, age, sex, disability, limited English proficiency, immigrant status, migrant status or homeless status. A free and appropriate education is available to all students with disabilities. It shall be the policy of the Board that barriers to enrolling and retaining homeless students shall be removed. All programs offered by schools within the school district shall be open to all students in compliance with statutory and judicial requirements.

Getting Started

The following items are needed to complete the registration process:

• Non-Refundable registration fee ($20)
• Tuition payment for first week
• Completed On-line Registration
• Emergency contact person(s) other than parents

Once you register through the EZ Childtrack Program, the ASC Office must enroll your child into the program. Once that has been completed, you will receive email confirmation of registration and access to your account.

Participation in other Programs during ASC Hours

Students must first come to ASC before attending other programs if the student will be returning to ASC at any time during the afternoon.

Last year we had several vendors during Afterschool Program hours at no additional expense to parents. These included art classes, yoga classes, and STEM classes for students with Legos.
Admission and Registration

If a student’s account ended the previous year with a balance the student may not register in the Program until the balance has been paid in full.

- All students must attend the After School Care Program on the campus where they attend school during the day.
- Student must be able to participate in group activities with other children and not require one-on-one supervision.
- If your child has any special needs, please document on the Registration Form. If additional staff is needed for your child, there may be a delay in starting the Program until adequate staff can be put in place to meet the child’s needs.
- Parents must complete all registration requirements and pay the first week’s tuition before the 2-day wait begins for them to attend the program.
- Withdrawal from the Program: must be a written notification received one week prior to the first day of the change.
- Student must be enrolled in a Baldwin County school where the service is provided.
- Student must not be dangerous, disruptive, or a threat to self or others.
- Must respond to first name.
- Must be fully toilet trained.
- Must interact with other children and adults in a non-aggressive manner.
- 4 year old Pre-K students may attend After School Care on the campus where they attend during the day. A waiting period may be required if additional staff is needed.
- ASC Registration is good for any Baldwin County Public School. If you relocate, you will NOT need to pay the registration fee again during the same school year.
- If you relocate, acceptance into Afterschool is NOT guaranteed at the new school. If the Program is full at the school you move to, you will be added to the WAIT LIST.
Program Rules

Students must follow the same rules that apply to the regular school program. Basic expectations include, but are not limited to, the following:

- Obedience to all staff and respect for students and adults;
- Running and playing in designated areas only;
- Remaining with supervising adult at all times;
- Leave the program site ONLY with parents OR their written designees.
- All students must be in attendance at the start of the Program each day. Students must come directly from their day school teacher or classroom to the Afterschool Program area.

Early Dismissal Days

On Early Dismissal days the Afterschool Program is NOT offered. The Afterschool Program follows the same calendar as the school system and is closed when schools close.

JD Darby and Khilyn Jackson won first place in the Roar Winter Robotic Tournament at Foley Middle School (representing Foley Elementary Afterschool), winning them a spot in the Alabama State VEX IQ Robotics Championship (Elementary) March 2 & 3, 2019 1Division in Auburn. They will be the youngest team to represent Baldwin County.
Program Schedule

The After-School Care Program operates on the same schedule as Baldwin County Public Schools. The program begins on the first day promptly after the school day ends and continues to 5:30 p.m. We have 8 sites that close at 6 p.m. The Program ends on the last day of school. The After-School Care Program closes on those days recognized by the schools as holidays, including teacher workdays. Hours are from 3:00 to 5:30 p.m., Monday through Friday. Each day’s program schedule includes supervised homework time, a snack, supervised play time, and other special activities such as art, yoga, and music. Homework time is provided but we are not a tutoring service.

Payment Policy

NO CASH. Payments are made on-line with a Credit or Debit Card. A service fee of $.50 will be charged each time a payment is processed online. You may pay by the month online. An overdue account may result in the suspension of your child from the program until full payment is received.

- $20.00 Non-refundable Annual Registration per child.
- Tuition for the first week must be paid PRIOR to attendance.
- There is a 2-work day delay between Registration and the child being able to attend.
- Fees are charged based on Registration and are NOT influenced by attendance.
- You will be charged for each week whether the student attends or not.
- If student’s account ended the previous year with a balance, the student may not be registered in the Program until the balance has been paid in full.
- The criteria for participating in the After School Care Program and the policies by which the program is governed are subject to change at any time at the sole discretion of the Afterschool Care Program or Baldwin County Board of Education.
Late Payment Fees

A $5.00 per child late fee will be assessed if tuition is not received before midnight on Sunday. Total in the account must completely pay for services for the next week.

Rates

With online registration and payments, we are now able to provide a Family Rate (multiple children in one family, different sites. No other discounts applicable). We do not offer a daily rate.

Weekly Rate:

**WEEKLY RATE:**  
- $35.00 for 5:30 p.m. pickup  
- $42.00 for 6:00 p.m. pickup

**BCBE EMPLOYEE RATE:** $25.00 per week  
No other discounts applicable.

**FAMILY RATE** for 5:30 pickup sites - ($7 additional for 6 p.m. pickup)

- 3 CHILDREN $90 per week  
- 4 CHILDREN $100 per week

Late Pickup Fees

Late Pickup Fees will be charged at $2 per minute per child after 5:30 p.m. and are due when you arrive to pick up the child.

The After School Care Program ends promptly at 5:30 p.m. each day. (This closing time has been established because many of our staff members are classroom teachers who have already been on campus 10 hours and have families and additional responsibilities awaiting them at home.)
• Only two late pickups (over 15 minutes) are admissible before dismissal of your child from the program is considered.
• After 3 repetitive late pickups (5 to 10 minutes) dismissal will be considered for your child.
• Staff members are not permitted to transport students.
• Middle and High school students will be able to attend ASC on their school campus, if the program is available.
• If absent or checked in after 11:30 a.m. the student cannot attend the After School Care Program, without a doctor’s excuse.

**Personal Property**

Phones: students are allowed to have them, but they must be turned off and out of sight. Personal property such as toys, games, and jewelry should not be brought to the After School Care Program. Parents are responsible for securing book bags, lunchboxes, coats, etc. when picking up their child. We make every attempt to help children stay organized; however, we are not responsible for the loss of personal items.

**Communication**

We work to maintain effective communications with all parties to ensure that quality care is given to students, and we encourage parents to offer suggestions and ideas that would enhance the program. To keep you informed, a monthly calendar or newsletter will be sent home detailing schedules and special events. Announcements are posted at the site for your convenience near the sign out area when picking up your child.

**SAFETY: Sign-Out Policy**

In the interest of safety and security, all students must be checked out daily by parent, guardian, or someone listed as an authorized pick up on their account in EZChildTrack and be at least 16 years of age. All students will be checked out using assigned pin numbers. Should there be any difficulties due to power outage, etc., a paper form will be utilized for a temporary solution. It is the account holder's responsibility during registration, to setup PIN numbers for each pickup. Each parent, guardian, or authorized pick up person should be assigned their own pin number and pin numbers are not to be shared for any circumstances. If you are unable to access this information through the EZ Child Track Parent
Portal, please contact your Site Manager for assistance. You may include additional contact names and numbers if you desire; more is better than less. A driver’s license will be requested as identification from those persons picking up a child. Failure to check out a child will be considered a serious rule infraction. In addition, it is a parent’s duty and responsibility at all times to provide a fit, responsible, and unimpaired person to pick up the child from the After School program. By placing the child in the program, the parent agrees and certifies that any person who picks up the child shall be fit, responsible, unimpaired and shall not endanger the child. Law enforcement officials shall be notified if anyone impaired by drugs, alcohol, or any other reason attempts to pick up a child. In the event there is reasonable suspicion to believe that a child is being picked up by an impaired person, that child shall not be released until the situation has been resolved by the appropriate law enforcement officials.

**Illness/Medication**

In general, no medication will be administered by After School Care Staff, unless your child’s medical needs dictate it. Students should go to the school nurse prior to coming to Afterschool Care for medications. Should you feel your child would require medication during the Afterschool Care Program contact the Afterschool Care Program Office so we can address his/her medical needs on a case-by-case basis.

If a child becomes ill during his/her stay in the program, these procedures will be followed:

- The site leader will call the parent/guardian and discuss the child’s symptoms.
- If symptoms persist or worsen, the parent will be called to pick up the child.
- No child will be admitted or kept in the program if he/she has a temperature exceeding 100.5 degrees Fahrenheit with symptoms.
Emergency Procedures

In the event of a medical emergency: After School Care staff will call 911. A parent or guardian will be contacted. The After School Care Program Supervisor will be contacted. The School Principal or Assistant Principal will be notified.

Communicable Disease

If a child has a contagious illness, in some cases, a doctor’s release may be required for re-admission into the program. Site Manager and staff will work closely with parents to keep the illness from spreading.

Discipline/Dismissal/Suspension

Because children are entitled to a pleasant and harmonious environment, we cannot serve those who display chronically disruptive behavior. Chronically disruptive behavior is defined as verbal or physical activity which may include, but is not limited to, behavior that requires constant attention from the staff, inflicts physical or emotional harm on other children, abuses the staff, or involves willful destruction of property, or that which ignores or disobeys program rules. If a child cannot adjust to the rules of the program and behave appropriately, he/she may be dismissed or suspended from the program. Reasonable efforts will be made to assist the child in making needed adjustments.

Disruptive behavior will be dealt with in a fair and consistent manner including:  a. Implementation of an in-house discipline procedure (i.e. “time-out;” Corporal punishment is never used by After School Care Program staff.)  b. Notifying the parents of his/her child’s unacceptable behavior. Following the first (1) offense (“offense” shall be any incident resulting in a Notice of Student Behavioral Incident Form being completed), the student will be separated from the group and taken to a designated area where he/she will not be allowed to participate in activities for the remainder of the class time. Parents will be notified with the Notice
of Student Behavioral Incident form at time of pickup or sign-out from the program that day. Following the second (2) offense, a discussion by Site Manager and parents is required before the student will be considered for re-admission to regular activities. Parents will be notified with the Notice of Student Behavioral Incident form at time of pickup or sign out from the program that day. Following the third (3) offense, the behavior of the student will be discussed with the parent/legal guardian. The School Principal will be notified. Parents will be notified with the Student Behavioral Incident form of suspension related to the incident at time of pickup or sign out from the program that day. Date of impending suspension will be reflected on the third Student Behavioral Incident form. Suspension may be for 1 to 5 days. Following re-admission to the Program, if the student again receives disciplinary action, the student will be permanently dismissed from the After School Care Program based on guidance from the Program Supervisor. If the student is dismissed from the Program during the year, they are NOT eligible to attend Summer Program if it is offered at their school. The After School Care Programs Supervisor or School Principal may at any time, at his or her sole discretion, permanently dismiss a student from the After School Care Program should a student’s conduct merit dismissal.

De-Escalation Procedures for Discipline Issues

De-escalation processes exist in the event of disruption among students. Crisis Prevention Institute training has provided the staff with the Crisis Prevention Model. Our staff will recognize the student’s level of disruption and respond appropriately to de-escalate the disruption. If a high level of anxiety is present, the staff will be empathic by offering non-judgmental assistance to help the student(s) remain in control. If the student(s) has become defensive (verbally abusive) the staff will become directive by offering choices, using three to five words for redirection (repeating as needed), will avoid verbal power struggles, and will remove the audience. If the student becomes a physical danger to self or others every attempt will be made to physically stop the aggressive act and the coordinator will be notified immediately. After the event has occurred and the student experiences tension reduction, therapeutic rapport will be established to problem solve and goal set in hopes of preventing another disruptive episode.
Complaint Procedures

In the event of a complaint, initial contact should be made with the ASC Program Site Manager. After the incident or complaint has been discussed, the Site Manager will forward documentation to the Program Supervisor. Upon receiving the written documentation, the Program Supervisor will contact the Site Manager to review the complaint/request. If the parent or guardian does not feel the situation reached agreeable resolution; they may contact Cherry Penn, After School Programs Supervisor at the Bay Minette Office; (251) 972-8518. If the situation remains unresolved, the Federal Programs Coordinator over the ASC Program will be apprised of the problem and how it has been handled. Our desire is that all problems be resolved to the satisfaction of parent, student, and ASC Staff.
Baldwin County Afterschool Care Programs continue to grow and meet the needs of students and families.

Our Staff work hard to provide quality Afterschool Programs – and it shows!
