

## An IMPORTANT NOTICE from

The Rules Have Changed for  
**STATE and EDUCATION**  
employees!

Your children may now be  
eligible for ALL Kids.

Before now, federal rules excluded dependents of public employees from participating in a Child Health Insurance Program (CHIP). In 2010, Congress changed that rule to allow states to request that public employee dependents be allowed to enroll in a CHIP program. Alabama made that request and has now received approval to begin enrollment of dependents of state and public education employees in ALL Kids, Alabama's CHIP program.

### Eligibility for ALL Kids must be determined annually. Children may be eligible if they are:

- An Alabama resident
- Under age 19
- A U.S. citizen or an eligible immigrant
- Not covered by or eligible for Medicaid
- Not a resident in an institution
- Within the income ranges established for participation (see guidelines below)
- Not covered by other group health insurance\*

\*If a child has group health insurance that is voluntarily dropped, there is usually a three month waiting period before that child can be eligible for ALL Kids. **However, since dependents of public employees have been excluded from participating in CHIP since inception, this three month waiting period will be waived for these children for a limited time.** After this limited time period is over, the three month waiting period for dropping coverage will apply.

### If you want to apply for ALL Kids for your child, submit your application now!

If your child is eligible for ALL Kids, you will be notified and your child's state employee (SEHIP) or public education (PEEHIP) coverage will be canceled. **For more information about ALL Kids, go to [www.adph.org](http://www.adph.org) or call 1-888-373-KIDS (5437).**
