**CHILD LABOR REFORM ACT OF 2009**

On May 18, 2009 Governor Riley signed into law the Child Labor Reform Act of 2009. The new act reforms Alabama child labor enforcement standards, transferring the permitting process from the public school system to the Alabama Department of Labor.

**Under the new system, permits will no longer be required for each minor employed. In its place, employers will be required to purchase a Certificate; Class I, to employ minors age 14 or 15 and/or Class II, to employ minors age 16 or 17.**

This certificate will be applied for online for a fee of $15.00 dollars per certificate. The certificate must be renewed annually.

Every business location must have a certificate on display for the appropriate age groups they hire.

Apply for the certificate by going to: [www.labor.alabama.gov](http://www.labor.alabama.gov)

**ELIGIBILITY TO WORK FORM**

Additionally, schools will still issue an “eligibility to work” form certifying that students under 16 have satisfactory grades and attendance in order to be employed.

This form must be in the minor’s personnel file for inspection.

---

**POSTER**

A Child Labor Law poster (2009 version or later) is free of charge and required to be on display in every location employing minors under the age of 19.

---

**RECORD KEEPING**

Each employer must keep on premises a separate file for each employee under 19 years of age. The file shall contain the employee’s name, home address, date of birth, date of hire, proof of age, school of attendance, and time records which shall state the number of hours worked each day, starting and ending times, and break times.
