*Parents / Legal Guardians:*

*Due to Baldwin County Board of Education policies and procedures, all student athletes must ride the bus to away athletic contests. In order to sign your child out after a contest, you must have a copy of your driver's license and proof of auto insurance on file with Robertsdale High School. Only parents and legal guardians are allowed to transport student athletes from an athletic event. Grandparents, siblings, aunts, uncles, friends etc. are not allowed to transport students from away contests. This is a liability issue and must be adhered to. Please make copies of driver's licenses and auto insurance cards and return with this signed letter to Robertsdale High School (Coach of that sport). Only those parents or legal guardians who have met all the requirements will be allowed to sign their child out after a contest, otherwise athletes will ride the bus back to the school and can be picked up there. We appreciate your cooperation in this matter. Remember, this is for the safety of all children. Your signature at the bottom of this form signifies acceptance and compliance with this policy. This form is due to the coach at least one day before competition.*
