

## Stapleton School

### Vision

To foster a nurturing environment with high expectations for students to achieve potential & graduate with opportunities

### Mission

To prepare ALL students to graduate College and Career Ready through a culture of equity and opportunity

### Beliefs

#BaldwinProud #CommunityStrong

#### Guided Reading

##### Objectives

- An increasing percentage of students will meet their annual growth target in reading proficiency.

##### Critical Initiatives

- Provide remediation and intervention through the use of PTIs.
- Provide training and coaching for teacher professional development in the science of reading, phonics instruction, guided reading, and general instructional strategies
- Teachers will construct lessons and provide instruction differentiated by content, process, and product, and which incorporate appropriate and purposeful learning targets

#### Math (STEM)

##### Objectives

- An increasing percentage of students will meet their annual growth target in math proficiency.

##### Critical Initiatives

- Provide remediation and intervention through the use of PTIs.
- Provide training and coaching for teacher professional development in best practices for math instruction and general instructional strategies
- Teachers will utilize formative assessments that require students to justify, written or orally, their responses, and to choose from among multiple possible answers.

#### Climate and Culture

##### Objectives

- Bolster academic resiliency and student self-confidence through development of growth mindset.

##### Critical Initiatives

- We will continue efforts to increase awareness among students and stakeholders of the importance of developing and fostering a growth versus fixed mindset.
- Students will receive explicit instruction to help them understand the concept of a growth mindset.
- Adult-student relationships will be fostered to help bolster student self-confidence and self-belief.

#### Subgroup

##### Objectives

- An increasing % of economically disadvantaged students will meet their annual math / reading goals

##### Critical Initiatives

- Provide remediation and intervention through the use of PTIs
- Provide training and coaching for teacher professional development in the science of reading, phonics instruction, guided reading, math instruction best practices, and general instructional strategies
- Teachers will construct lessons and provide instruction differentiated by content, process, and product, and which incorporate

Critical Initiatives
<ul style="list-style-type: none"> <li>• Create and utilize formative assessment that requires students to formulate responses to questions that have more than one possible answer and requires students to justify responses they have given.</li> <li>• Implement a 1st through 6th grade writing instruction improvement plan to provide more robust and consistent writing instruction across the campus</li> <li>• Improve early literacy instruction through the adoption of effective research-based best practices and curriculum in core phonics instruction</li> <li>• Reduce class sizes in the primary grades through the judicious use of instructional personnel</li> </ul>

Critical Initiatives
<ul style="list-style-type: none"> <li>• Teachers will construct lessons and provide instruction differentiated by content, process, and product, and which incorporate appropriate and purposeful learning targets</li> <li>• Reduce class sizes in the primary grades through the judicious use of instructional personnel</li> </ul>

Critical Initiatives
<ul style="list-style-type: none"> <li>• Student character development will be enhanced through consistent focus and training on the school "Character Triad" comprised of the Golden Rule, the Power of Yet, and the Seven Habits.</li> </ul>

Critical Initiatives
