

INSTRUCTIONS FOR WRITTEN REPORT OF SUSPECTED CHILD ABUSE/NEGLECT (DHR-FCS-1593)

Purpose: This form is used by the public to report suspected child abuse/neglect to DHR.

EXPLANATION OF CERTAIN PROVISIONS OF THE CHILD ABUSE/NEGLECT REPORTING LAW (Code Of Alabama 1975, Sections 26-14-1 through 26-14-13)

In order to protect children whose health and welfare may be adversely affected through abuse and neglect, this law provides for the reporting of such cases to appropriate authorities. The law also contains immunity provisions so that any person making a report pursuant to the statute is immune from any civil or criminal liability that might otherwise be incurred or imposed.

The following institutions and persons are **required by law** to report **known or suspected** child abuse or neglect **under a penalty of a misdemeanor, fine or sentence:** all hospitals, clinics, sanitariums, doctors, physicians, surgeons, medical examiners, coroners, dentists, osteopaths, optometrists, chiropractors, podiatrists, physical therapists, nurses, public and private K-12 employees, school teachers and officials, peace officers, law enforcement officials, pharmacists, social workers, day care workers or employees, mental health professionals, employees of public and private institutions of postsecondary and higher education, members of the clergy as defined in Rule 505 of the Alabama Rules of evidence (except for information gained solely in a confidential communication) which includes "any duly ordained, licensed, or commissioned minister, pastor, priest, rabbi, or practitioner of any bona fide established church or religious organization," or any other person called upon to render aid or medical assistance to any child when such child is known or suspected to be abused or neglected.

In addition, any other person may make a report if that person has reasonable cause to suspect that a child is being abused or neglected.
