SFHS PTA Committee Sign Up Form

Hospitality Committee

For anyone who can't be physically involved in volunteering at SFHS but would like to contribute by donating food or supplies, the Hospitality Committee needs YOU! The Hospitality Committee provides breakfast, lunch or snacks for the teachers once a month throughout the year. During Teacher Appreciation Week, we provide refreshments and door prizes daily. The committee Chairman, with the help of a few others, handles the work of setting up and serving each month. Others will be asked to donate the requested food, drink, or door prizes that are needed. This Committee is our arm that directly thanks the teachers/staff for their hard work and love of our students. If you would like to help, please list your name and email address below

Name _____ Email _____

Parent Volunteers

Throughout the year the school requests our help (parent volunteers) assisting with various projects. We have helped the school staff with administrative work such as stuffing envelopes, making bows, addressing envelopes, filing, etc. The help is usually needed during school hours, but we many on occasion need help after hours as well. The PTA will also need volunteers, on occasion, with short-term needs. (assist with parking for graduation night, Grad exam testing, vision/hearing screening...)
