

Students, while the school year does not officially start until Aug. 14th, your Senior year has begun. For students, this will be the most important Summer of your lives. I hope you spend a considerable amount of time thinking about your plans following graduation. If you are considering joining the workforce, look into careers that interest you and learn what is needed to join that industry. Those planning to join the military should schedule appointments with recruiters to find out more information about each branch. Summer is an excellent time to visit colleges for those planning to attend in Fall 2020. Once the 2019-2020 school year begins you will be busy with various things. This is why it is in your best interest to focus on your future now.

Please take note of the following information:

- **To receive text message alerts, send a text to 81010 and put @20rhs20 in the message box.**
 - When you send the message, you may be asked to enter your name. Please enter your actual first and last name. Do not use nicknames.
 - If asked for a role, enter student or parent.
 - If you have questions for me, feel free to send them to me through Remind. I will attempt to answer your questions as fast as I can. If you do send me a message, it is private. I am the only one that can see the message.
- Students, if you did not pass a core class (English, History, Science or Math), it is in your best interest to attend Summer School.
 - Registration forms should be arriving soon for students that failed core classes.
 - **Summer school cost: \$150 for ½ credit; \$300 for a full credit**
 - If you are below 17 credits, it will be tough to earn all the credits needed to graduate on time. You should also consider attending Summer School. Contact me to discuss this if it applies to you or your student.
- Senior Portraits will be taken on June 5th & 6th
 - There is a \$30 sitting fee to receive your proofs. If you only want your picture taken for the year, the sitting fee does not apply.
 - Tentatively scheduled for the cafeteria.
 - The appointment schedule is the item below the announcements.
 - The photographer will provide the drapes for females and the tux for males. You are responsible for your hair and makeup.
 - The photographer prefers girls to have a tank top that you can wear under the drape.
 - Boys should wear a t-shirt with no writing on the front. The photographer prefers white t-shirts be worn.
 - While there will be a makeup day when school starts, you are encouraged to use this day to have your portrait taken.
- After your portrait time, if you would like to meet briefly to discuss next year and your plans, let me know.
 - Meetings must be scheduled before the day of your portraits.
 - If you cannot meet after your appointment, additional times will be provided throughout the Summer.

- Ladies interested in scholarship opportunities should consider participating in Distinguished Young Women. For information about the program, contact Joni Wofford at (251)605-3200 or email baldwin@DistinguishedYW.org.
