THE MOYER FOUNDATION
Helping Children in Distress

An extensive guide to aid those in need

Wherever you are We're there for you

National Bereavement Resource Guide
Sponsored by New York Life and The Moyer Foundation.

Wherever children and their families are grieving, and wherever they are in the grieving process, we are here to help.

New York Life is proud to partner with The Moyer Foundation to provide the enclosed compilation of state and local resources—camps and grief organizations **organized by state**, plus books and websites for children and their families experiencing loss.

The New York Life Foundation (www.newyorklifefoundation.org) has long been focused on serving children in need. In 2008, the Foundation expanded that focus to include an initiative to help children deal with the loss of a parent, caregiver or sibling and to help parents deal with the emotional turmoil that results from the death of a close family member. We believe this comprehensive guide will provide the necessary resources and directory of services to help support grieving families in communities across the country. In addition, we've developed a bereavement website that can help—www.AChildinGrief.com.

The Moyer Foundation (www.moyerfoundation.org), founded in 2000 by MLB World Series and All-Star pitcher Jamie Moyer and his wife, Karen, was established to empower children in distress by providing

education and support—helping them to live healthy and inspired lives. Through the generosity of a giving community, The Moyer Foundation supports programs that directly serve critical needs of children in severe distress, including their signature program, Camp Erin. Camp Erin is the largest network of free bereavement camps in the country designed to support children and teens that have experienced the loss of someone close to them.
